DEAR GOD PART 1 of 3

Copyright 2008 By: Juan Tidwell Sr.

Dear God
  please forgive me
  for all the wrong I caused
All I really want
  is for the hands of time
  to pause
Take the time
  Search my past
  See all the hurt involved
At times
  I take a glance
  to see if my life evolved
Or if Im trapped
  in the same cycle
  repeating the same actions
That got me
  locked in this place
  living life in the same fashion
Where did I go wrong
  to bring this hurt to myself
I really need to know
  So this confusion is felt

Bring deep from my heart
All flaws and imperfections
And help Strengthen those parts
'Cause I will fall without direction
I need your help God
And not afraid to say it
Give me the Strength God
lift me to the top
to display it
