

TRUST NOBODY MORE THAN GOD PART 1 of 2

Sometimes

I don't like what I see  
Rather looking in the mirror  
or inside of me

The reflection of my life  
got me stuck in the past  
while livin' for the moment

I was moving too fast  
Others' influence

is what guided my life  
Trying to reach their expectations  
is what blinded my sight

Searching for a path  
that would lead to happiness

Empty hole in my heart  
but my facade was fabulous

I watched people change  
in a blink of an eye

I can't believe they would sit there  
and watch me die

While I fight for my life  
they won't even help me try

With my back against the wall

they just pass me by

Living their lives

like I don't exist no more

All of this hides

behind a closed door
