

ON MY KNEES PART 1 of 2

I heard

prayer changes things
Jesus change people

Live life

On God's side
He delivered us from evil

Trapped

in a spiritual battlefield
we all are trying
To find our heavenly Father
Sin got us all dying

In the mirror

I saw the reflection
of my past life
I was a Soldier
for the devil
before I had Christ

My heart

was empty, filthy, corrupted,
full of sin

Yet

He rescued me
from the situation I was in

Before then

I didn't think myself

Worthy of God's grace

Especially His Son

dying on the cross

in my place

Always keep praying

keep seeking a

and keep searching

Just because you don't see results

don't mean

He's not working

One thing that I learned

always trust the Lord

Don't be concerned

with who you were before

When people try to judge you

by bringing up your past

know that Christ loves you

You're a new creature at last
