

"IF I COULD BE AN ANIMAL OF THE (LAND)"

FOR A LAND ANIMAL THE "NO BRAINER" FOR ME IS THE (ELEPHANT) BE IT THE "ASIAN OR AFRICAN" ELEPHANT. I CHOOSE THE ELEPHANT DUE TO ITS OUTSTANDING MEMORY AND SOPHISTICATED SENSE OF LOVE, CARE AND CONCERN FOR THE FAMILY UNIT AND BOND. NATURALLY IT IS THE FEMALE WHO STANDS AS THE Matriarch OF THE PACK AND SO IN THIS CASE I'LL HAVE TO BE A "LADY ELEPHANT" (L.O.L)... THE ELEPHANT IS A VERY SOCIABLE ANIMAL AND FEED ON VEGETATION CONSUMING THOUSANDS OF POUNDS OF LEAVES, SHOOTS, TWIGS, FRUITS, AND ROOTS... ME! WELL DUE TO MY INCARCERATION I'M (98%) VEGETARIAN! THEY DON'T PRODUCE MUSLIMS WITH A WIDE VARIETY OF "HALAL FOODS" AND SO OUTSIDE OF AN OCCASIONAL HALAL BURGAR I EAT LOTS OF BEANS, PEANUT BUTTER, FRUITS AND THE LIKE! I'M ALSO VERY SOCIAL AND BELIEVE IN THE FAMILY UNIT AND BOND...

ONE COULD FIND THE AFRICAN ELEPHANT IN AFRICA SOUTH OF THE SAHARA WHILE THE ASIAN ELEPHANT IS NATIVE TO INDIA, SRI LANKA, S.E ASIA AND SUMATRA!

THE AFRICAN AND ASIAN ELEPHANTS DO HAVE VARYING BODY TYPES! THE AFRICAN WITH ITS LARGER EARS AND TUSK THEN THE ASIAN... THE ASIAN ONLY HAS ONE FINGER LIKE EXTENSION AT THE END OF ITS MOBILE TRUNK WHILE THE AFRICAN HAS TWO... OH AND THERE IS

The Hump On The ASIAN ELEPHANTS BACK
With NONE On THE AFRICAN ELEPHANTS BACK

THAT SAID AND FOR THE REASONS ABOVE I
WOULD LIKE TO BE AN ELEPHANT FOR A DAY !.....
