I'm really not sure who wrote this???

But Gillis is great. He's probably leaving at the end of this month or early next month. His training is practically over on my part. Lately I have just been teaching him new cute tricks. Otherwise we are just continuing to get him bigger and stronger and better at all the stuff he already knows. I'll miss him, but I can't wait for him to go and end up working for someone who really needs him and make their life better.

Good to hear from you. I miss you. You haven't been up in a while. Not sure if you'll get to meet Gillis. Read my new Random Thoughts post, there is an update on him. Hope all is well with Chip. I just saw it mentioned on the news again. I'm sure you'll fill me in soon. How are the kids these days? Tell Mark to check this out and I'd like to hear from him. How's the baby too?
