

Candiss -

Hey Princess! Great to finally hear from you.

OK, first off, why I wanted you to read blog 116 - because it is mine. Everything on here is written by me. Some stories from my past, some results from our Runners Club, some random thoughts, some stories I wrote...whatever. It's all my thoughts, so please read as much as interests you, and check out the profile. But most importantly, stay in touch.

Don't care about the reasons I never heard from you. You certainly don't owe me anything. I just hope all is well for you and the whole family. I'd love updates on everybody. Tell your sister I'd like her to check this out as well and send a note. I miss you ladies and wish you all my best.

As for me, all is great. Honestly, I'm happy and busy and I've made peace with my situation and myself. A lot of the details on that are on here through different posts I've written. So read up and get back to me.

Hope to hear from you soon.

Bobby
