

IF I was your daughter - 4-19-8 P31

Michelle, if I was your daughter
I'd want to call you by your 1st name

If I was your daughter
I'd sit at home & cry

If I was your daughter
I'd swallow my tears & wonder why.

If I was your daughter
why you been gone for so long?

If I was your daughter
I wonder if you even like it at home

If I was your daughter
why we only talk on the phone?

If I was your daughter
mommy, I'd feel alone!

If I was your daughter
I'd wonder if you feel it too.

If I was your daughter
join on Sys - I wouldn't know what to do -

If I was your daughter
I'd understand that I NEED YOU.

If I was your daughter
want on all of your unconditional love

If I was your daughter
I'd just want for a motherly hug.

If I was your daughter
would I be upset just because

If I was your daughter
I'd shun your foolish actions

If I was your daughter
you'd be the source of my pain - not satisfaction

If I was your daughter
So many things left unanswered.

If I was your daughter
"Mommy... mommy - what's cancer?"

If I was your daughter
"mommy... why does my private bleed?"

If I was your daughter
"mommy... opps Michelle... why did you leave?"

If I was your daughter
"mommy... How can you say you love me when you
don't ever make me feel liked?"

If I was your daughter
"what's wrong? what's right?"

If I was your daughter
"mommy... mommy they pick on me at school!"

If I was your daughter
"mommy tell me your stories - were you..."

If I was your daughter
"Where do babies come from -"

If I was your daughter
"mommy how come???"

If I was your daughter
why do boys act like that?

If I was your daughter
"mummy are you ever comin back?"

If I was your daughter
"Do you wish I was never born???"

If I was your daughter
"would your heart really be torn?"

If I was your daughter
what would I grow up to be?

If I was your daughter
As a girl did you ever feel like me?

If I was your daughter
It happened to me. what's rape?

If I was your daughter
mummy how am I Reel like?

If I was your daughter
I would crawl between your legs

If I was your daughter
I'd beg & plead -- plead & beg
to be born at a ~~for~~ later time
when being my mother was the title
of your mind

with all that it entails

If you say you can't fail ~~over~~ →

If I was your daughter
I'd ~~you~~ PROMISE YOU THAT

If I was your daughter
love always

(IF I WAS TESS)

P.S. if you were my daughter...

if you were your daughter.
what questions would you
be asking?
