

\* Quote of the Day \*

3-18-12

Among the more than 19,000 original epigrams penned by chemist and writer Dr. O.A. Battista is this wise observation: "You have reached the pinnacle of success as soon as you become uninterested in money, compliments, or publicity." Unfortunately, just the opposite often happens when something we have done is praised and rewarded. A humble heart can quickly become a swelled head!
