

"A Outcast"

"Poem"

A outcast is a person who's rejected by all.
Can they continue to stand tall?²

A outcast can develop a cold heart,
that will rip others apart.

A outcast is very tough.

and, refuse to run when it gets rough.

A outcast can become blue.

if your words are untrue.

A outcast does a lot of bad dealing.
in their heart there is no healing.

A outcast want make a plan.

he is a vicious man.

A outcast likes food to eat,

but, refuses to treat.

A outcast is someone of a different class,
and, has a lonely pass.

A outcast will stand in the sand,

and, give you a demand.

A outcast want play a game.

because he's not lame.

A outcast will take a chance.

on top of that they can't dance.

A outcast loves money.

plus a pretty little honey.
