SUBJECT: #17 - A Little Bit Of That Swing

DATE: 03/18/2012 01:22:17 PM

Verse:

Welcome to my humble home
The couch is old and the carpet's worn
Got no TV and the fridge is bare
Got no hot water, but I don't care

Ain't got no phone, no internet
I'm broke as a joke and can't buy shit
Got nothing but this old record stand
But that's all I'll need given half a chance

Chorus:

And I'm free
For the first time ever
I feel like I could dance forever
Give me a smile and give me your hand
Be my woman and I'll be your man

'Cause I'm free
Would you be my lover
I don't think I could have another
Let's get crazy, let's dance and sing
I'd do it all for a little bit of that swing

Verse:

Take off that jacket, I'll get the light
You can stay for a minute or stay all night
My house is small, but it's always clean
And the bed is sturdy, if you know what I mean

(Chorus)

Verse:

I don't need money, cars or gold
I don't need jewels or fancy clothes
You're beautiful, can I have this dance?
All I want in this world is to hear you laugh, laugh laugh

(Outro)
