

Dear Bloggers

3-15-12

well not much
going on.

They haven't fixed the
part in the Chow Hall
so not all the food is
safe to eat.

We are hearing that
they are going to redo the
time 85% would go onto 65%

with 20% ~~across~~ ^{across} the board

if any of you have

any information about
this please let me know.

They are moving staff
around, to other places.

We haven't had yard
in 3 days.

Well that's about it.
