NikeGirl20,

I received your question:

"What are some crime books that you have read that are really good?"

Here's a list of some really good ones I read in the past 6 months or so:

- 1) B.M.F by Mara Shaehcup
- 2) Mr. Untouchable by Leroy "Nicky" Barnes
- 3) Sergeant Smack by Ron Chepesiuk
- 4) Black Brothers Inc. by Sean Patrick Griffin
- 5) Donnie Brasco: My Undercover Life by Joseph Pistone
- 6) Ice Man: Confessions of a Mafia Contract Killer by Phillip Carlo
- 7) Nothing but Money by Smith Grey

Most of those books were about Organized Crime in some shape form of Fashion but I really enjoyed them all. Check a few out and let me know what you think. Feel free to contact me directly as I'll receive your comments faster but either way I thank you for your question and hope to hear more from you in the future. I do have a couple questions for you ^{as}:

1) NikeGirl20... Does that name suggest you love "Nikes"?

If yes... What's new out there as far as Nikes go?

(I love shoes but don't get updates on them in here.)

2) What books have you read lately?

3) Do you know the names of the latest books in the Alex Cross Series by James Patterson?
