

A HEART?

3-27-12 Part 2

Golly Gee! The evil, horrible, totally unredeemable skullduggery felon HAS A HEART?!? AND FEELINGS?!!? Oh...My...Gawd!..

Another Poem! Why not?! This one I wrote for a woman I've never met, want to meet... Hope she likes me too! Ha, that'll never happen!

Also from 2008~~

My Pen Is Empty

Ever since the first time that I saw you
I've been writing our love story in my mind
But you don't even know that I exist
And there's a new problem that I find...

I'd finish writing our story
But my pen is empty
I've written every word my heart can say
My wit and prose, it all says plenty
But you're still a million miles away

The ones who came before you live forgotten
Love used to be a child's game
Now I found the one I want to be with
If I asked you right, would you feel the same?

There's a full moon in the sky tonight
I hope you see it too
Someday I hope we'll share it all together
I'm holding on to the chance of forever
My pen is empty, so I'll keep this last page free
Someday you can give me a new pen
And together we'll finish the story of you and me
