Thank you for your kind comments in regards to "25 Things I Haven't Done In 5 Years". I will be released to halfway house in a matter of days, and I am anxious to be able to do all these things again. I took them all for granted before. Never again.

If anyone happens to read this before I send in my account termination notice, I have recently set up an email address: smalltownbassist@gmail.com, which is currently active, although I won't be able to utilize it quite yet. This goes mostly for family and friends, but I won't ignore any tasteful email that's sent to me.
