

## Fallible Man

Malicious and vindictive  
a bad attitude.

We need to be more  
compassionate,  
and a lot less crude.

We are here but a blink  
but a blink of an eye,  
until we meet our mighty  
maker way up in the sky.

We are way too harsh –  
Judgmental to a fault.  
And all this vindictive hate –  
should come to a halt.

We should practice  
what we preach  
and compassion, love and  
mercy, is what we should  
teach.

Understanding we're  
not perfect,  
We are all fallible man.  
Living our lives  
In this imperfect land.
