

Lisa Heard,

Thanks for your comment! I was writing to a Simons and Denlegs asking if the three of you knew each other because I got the same comment from the three of you:

"Thanks for writing! I finished the transcription for your posts."

I had to look up what "transcription" means (HAHA) and I'm still unclear of its definition to be honest with you. However, the fact that you even acknowledged my post means a lot to me so thank you VERY much.

The past week I kinda just been kinda down and out... just ready for something different to happen I suppose. Lately it's just been the same thing day in and out and it's been weighing down on me. So to hear from you and the other two was humbling and very comforting... once again, thank you.

Please take the time to read more of my posts and share with others too. I'm sure there's a few you'll enjoy and I encourage your feedback, opinions, and views.

Take care out there Lisa Heard and I invite you to write me directly if you like.
