Dear Mr. Muike:

Superintendent Kelly A. Ryan is in receipt of your correspondence dated April 17, 2012 regarding the closing of the Programs Building on evenings when religious services are scheduled.

Although I understand your frustration of frequent closing and relocation of programming we are working on a schedule modification which would assist in alleviating the closing of program space. We are, however, unable to predict emergency situations and decisions must be made on an as needed basis to effectively operate the facility.

Sincerely,

Christine Brockelman
Director of Treatment
