Complaint ** THIS IS A "STAFF MISCONDUCT" GRIEVANCE **
On Thursday, April 12, at 6:05 PM, I was instructed by Unit E-2 C.O. [REDACTED] to report to the HSU to see the 3-11 Shift HSU Supervising Lieutenant [REDACTED] (Phonetic Spelling). Upon my arrival to the HSU the Lieutenant asked me to have a seat in the holding cell. Within a couple of seconds a woman appeared and said, "My name is [REDACTED] and you sent a letter to the Boston Globe with my name in it and I wanted to ask you about it." I responded, "I will not be providing you with any answers." She stated, "Well I have never met you before and I wanted to ask you why you sent a letter to the Globe and who gave you your info." I replied, "Again, I am not going to be providing you with any answers to your questions." I then said to the Lieutenant, who was present during the entire interaction, "I do not want to be called up here unless it is for medical of official DOC reasons."

Continued ... The Lieutenant then struggled for words, but eventually said, "This is a DOC reason." I responded, "I will handle that my own way." I then left the HSU and returned to my housing unit where I called my sister and asked her to document this misconduct with my lawyer.

[REDACTED] and the HSU 3-11 Shift Lieutenant abused their official capacities to engage in personal business, the conducting of a personal inquiry of me about my protected free speech rights. I have no Psyche Services/Mental Health history, have no professional relationship with [REDACTED] and have never requested to be seen by her or any of her other head-shrinkers. This is a blatant staff misconduct.

Respectfully Submitted,
