

AFFIDAVIT OF JOE LABRIOLA

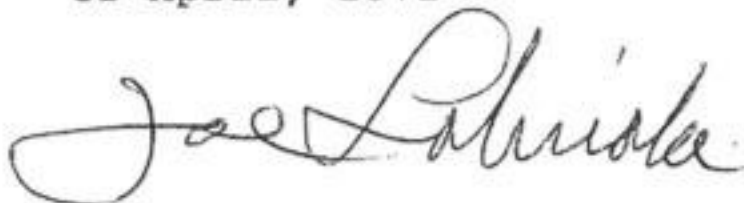

I, Joe Labriola do hereby depose and say:

1. I am a prisoner currently being warehoused in MCI Shirley medium.
2. Approximately two years ago I was seen at the pulmonary clinic in Bostons Lemeul Shattuck Hospital wher I was given a Pulmonary Function Test (PFT) and it was determined that I has severe C.O.P.D. (Chronic Obstructive Pulmonary Disorder).
3. As a result of this physiological anomaly I had severe Panic attacks.
4. Doctor [REDACTED], the physician at the Pulmonary Clinic prescribed diasapan to control these attacks.
5. When I returned to MCI Shirley I was informed by Doctor [REDACTED] [REDACTED] that I HAD to see mental health in order to get any drug of this nature as it was their "protocol."
6. After some long delay I finally saw Doctor [REDACTED] the lead and only prison psychiatrist. Doctor [REDACTED] asked me why in my 38 years of prison I had never once requested to be seen by menatal health I answered truthfully; "Because I do not trust you people. I think you are all in bed with the security staff and share sensitive information with them." She replied that she appreciated my honesty. I spoke with doctor [REDACTED] and told her the only reason I even agreed to see her was because if I did not, I would not be given the necessary medications that the Pulmonologist recommended at the Shattuck Hospital.

I spoke with Doctor [REDACTED] for about an hour and at the end of the interview she said very amicably; "Mr. Labriola, I am going to give you the medications you need."

6. Nine days later Doctor [REDACTED] stopped me in the hallway and said (direct quote); "Mr. Labriola, I spoke with the IPS (Inner Perimeter Security) and they told me you have an extensive drug history therefore I am not going to give you any medications at all unless you agree to take an SSRI and attend psychological counselling." I told Dr. [REDACTED] that she was being lied to. I do not have an "extensive drug history" in prison or anywhere else for that matter. I then went on to say to Dr. [REDACTED] that she proved my point about her being in bed with the security staff.
