It's OFFICIAL, I have 30 days in the hole because OF CO. Aaron D. Stokes and his lying statement. Once I got down here I discovered this Administration is no longer allowing us to have our Fans while down here on Disciplinary Confinement (DC) turning this cell into a sweat box. For it gets 90 and 100 degrees back here in these cells and Florida Humidity gets 70, 80, 90% making it even worse. This new implementation of denying us OF our personal Fans just goes to show you, what I've been saying all along, and that is this warden and Administration is a bunch OF malicious vindictive unethical dishonorable individuals. Low life with no class what so ever!" All OF the staff are not like this. And get this, it's mainly black OFFICERS that I've found to have the most honor and integrity at this job.

Last night. CO. Morrall who was working down there on two north on Sunday April 8, 2012 was down here, I stopped him and said, "you didn't want anything to do with shaking my cell down and setting me up with a D.R. that day did you?" He said "Nope didn't want nothing to do with it." and he walked OFF real quick. see CO. Aaron D. Stokes wasn't even assigned up there, and he shouldn't have been up there shaking down. When I was taken out OF my cell I was placed in the holding cell. Lt. Oliver (AKA watermelon head) came out OF the Control room where CO. Morrall stayed

the entire time. He sat in there talking with the other OFFICER who was running the controll room. Lt. Oliver passed me and said "Clark what are they going to find in your cell?" I should have said, "I don't know you tell me what your do boy Daddy told you put in there." But I said there's not going to find anything, I've got to big of a spot light on me to have any contraband." which is true. He commented on my weight about me losing some weight and left. Sgt. Chandler had C.O. C with him to shake my cell down and C.O. Aaron D. Stokes came from another floor. C.O. Morrall only made one round and that was at master count, it appears C.O. Morrall which Sgt. Chandler went around with him to do. C.O. Aaron D. Stokes also stopped shaking down and went back to his floor to do master count. C.O. Morrall and C.O. and Sgt. Chandler who was all assigned to that floor should have been the ones conducting the cell search. Yet C.O. Aaron D. Stokes was clearly brought in to write this bogus fraudulent retaliatory DR. Because staff obviously knew Stokes had no honor and integrity and is a lying dishonorable little piece of sh**! If they don't like what I write, all I can say is, do something about it. And what you should do, is grow your ass up, and start acting like professionals.
