Steve sings
 an old song
 about the moon
 and the stars
 I didn't know
 he remembered
 I would have
 sung
 along with him
 I would have
 joined him
 in song
 but,

I was afraid
 afraid
 he would lose
 the words
 or disappear
 back inside me
 I do want
 to hear
 the happy voice
 a voice
 only you
 can bring out

My Beloved
 faithful passion
 of my soul
 except

my eternal love
 and bath
 around your love
 tasting
 the sweet nectar
 from your kiss
