

"Sisters WANTED"

Cindy Pockrant, Diane Magoria & Linda Klotz
Theres this dip in my mind
And I'm hoping you'll help fill it in
I have these fuzzy Ideas
That family blood is thicker than water
But you "3" maneuvered like lions
Mauling me with silence
I'm not a cheap imitation of a brother
So why keep me as an outsider
Peeking into a unit I was born in
The state incarcerated my ~~Physical~~ SPIRIT
And you three incarcerated my human SPIRIT
23 Years without you guys is painful
What did I do to silence our embrace
