

Aunt Loretta -

Thanks for the kind words, the continued responses and everything else. Yeah Gillis is great. He's a lot of work, but a lot of fun. All else is good here

Can someone please put a bubble around my mother? Geesh!!! Always something. The night before she fractured her wrist, we talked on the phone and were joking about how she is falling apart because of the foot and mouth issues. UGH!

OK, I am going to post one big update on what is going on with me around here, so I'll end here. Just know all is well and I'm always thinking and praying for you. Tell Chip hi and wish him well.

until next time...
