Miss you! Love you! Always thinking of you! Really that is the entire gist of what I wanted to tell you since I haven't talked to you in a while. Thanks for being proud of me...don't know that I deserve it, but I'll take it. Hope all is well and the boyfriend is still treating you right.

As for the beard, I'm going to break down and post a picture of me with it. Now that it is gone, I can forget how annoying it was so I can look back at it affectionately. My father wore one forever. Not sure how he put up with it, but my aunts said it reminded them of him.

OK, that's all for now, hope I'll hear from you soon...can I get some new pics? I have other news, but my goal is to make it its own post so...
until next time...
