Lisa

Thank you very much for the work you and everyone at Between the Bars does. I really enjoy having this voice to speak freely.

I'm going to enclose a SASE #34 in with the contents of this comment and the May 4-6 Daily Journal. I want to make sure it arrives. Things are fixing to get really hectic. I'm going to kick off a hunger strike in the next three weeks. I'm trying to bring change and get some type of honor and integrity returned to the FDOC. Which everyone knows stands for the Florida Dept. of Corruption, that's correct corruption. They've been retaliating against me for over a year now, because of my old blog www.thedeathrowpoet.blogspot.com, which they successfully shut down, now that I'm blogging over here and at wordpress, the FDOC, and especially this corrupt childish tyrant administration can no longer control what I expose on my blogs. I have a constitutional right and I'm not going to allow this corrupt administration to step on my constitutional right. Thanks again to you and everyone at B.T.B. for their help.

In peace and love
Connie
