

# Think of this if you will

Whats your hearts desire that you seek.  
Is it Love?

Some one to hold?

But then again what is life without Love.

And what is Love without some one to hold.

And without these things what is life for  
just to die alone?

And Never know the right to have spared your  
life with some one.

Is it Not a unsettling thought?

A Mystery?

Or just a waste of time?

I set here and ponder these thoughts.

But come up with No answer to give.

But again what do I know I set alone in  
this cold and darkend cell?

With thoughts of love I'll never know.

Because I have No one to Show.....
