Enough Is Enough

1996, by Daniel Gwynn

Enough is enough stop trying to kill.

Enough is enough it's time to get for real.

Brothers & sisters it's time to come alive,
the hardship we face can't keep you down.

The past is the past so we must live on,
for our children and thier children are yet to be born.

Unity is the key to our oppressive state,
if we continue to hate we'll only degenerate!

You talk of the man who keeps you down,
but it's your own misguided stance which suppresses the crown!

No good can come from the violence and hate.
You need to check yourself before it's too late!!
