

Title: Books Needed

Hello my name is James or Jimmy, Jim 😊
I am in the hole (Administration Segregation)
with nothing to do - NO books just Boredom.
I would like to relax and read - BUT I don't have
access to books. I would be very grateful if some
one can help me in attaining books. Any book sent
must come from a company - you can not personally
send them. I like Comics (DC Series) Also I
like Westerns, mystery what ever I get I will
be Greatful. After I read them I will make
sure some other person will enjoy too. I would
appreciate subscription to National Geographic Also -
my address is - James Collins E-81393
