

This is a portrait I did, a photocopy of such, of Sean A. Riker, DOC # 567232, based on a photo of himself. I believe that Sean truly is innocent of the multiple charges of physical, sexual, & mental abuse of his step-daughters which he was convicted of, so I'm helping him with legal work & am his friend. Find out about his framing at <http://unjustjusticeseanriker.blogspot.com/2012/02/unjust-justice>

Would you like your portrait done? I will impress you, & you can pay me by ordering me 20 stamped envelopes from 1-800-236-2611 www.JLMarcusCatalog.com
