# Adopt This Convict - Bobby [REDACTED]

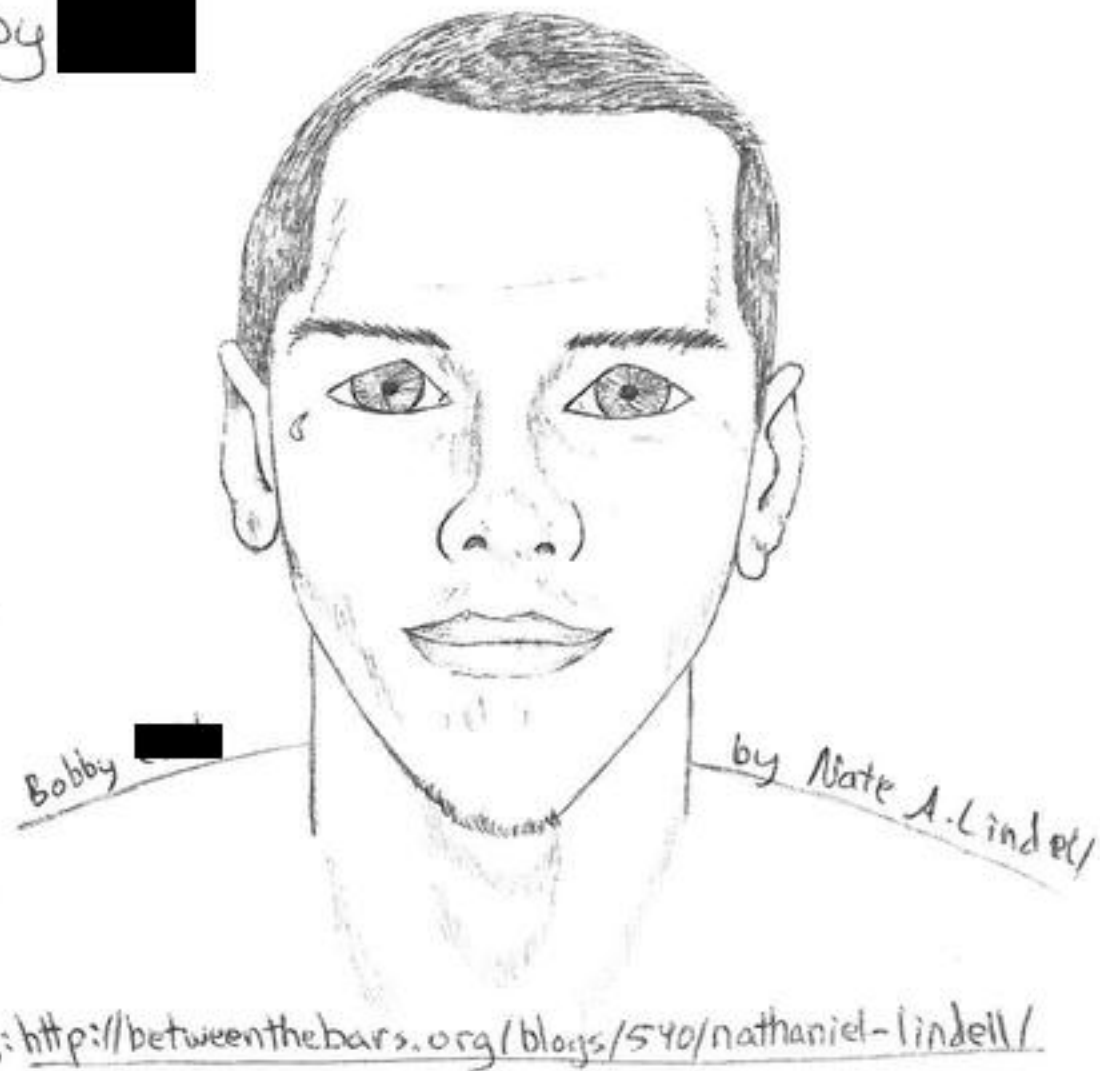

His name's Bobby [REDACTED] #  
and he's a 23-year old with  
3 years left on his sentence  
(for auto theft and fleeing police  
& fraud). Irish & German ancestry.

Like too many young convicts,  
he came from an, at best,  
neglectful family. Beatings  
were regular, love rare.

This damaged his self-esteem.  
It's hard to love yourself when  
your family doesn't love you first.

I try to mentor Bobby, but I'm  
a f' up myself, need my own moral  
support.

What I'm suggesting is something like a lonely but stable  
person simply stay in touch with Bobby and be a positive  
influence in his life. That's all. No money.
