

I would like this letter to go out to all our troops
serving overseas and to their friends and family at
home. I support your meritorious duties. You who lay
your lives down for us everyday protecting this great land
in which we live. I salute you. With fathers day approaching
I would like to thank all the fathers in the military.
I grew up without a father so I emphasize the need for
all our fathers in the military to come home safe.
Your duties are important to all of us everyday you risk
your lives for this great Nation. Many of you have
given your lives and I would like to salute those
who have fallen as well as those who continue to fight
for all our troops every where God bless and
come home safe.
