I have alot of works that are somewhat long how do I submit these works to the blog in a way that they don't go over the allotted 1-3 pages per subject/letter. By the way when I direct people to the website as follows they tell me they can not access the blog. Is there some kind of reason as to why. Any assisstance would be greatly appreciated. Thanks!! Website is as follows: http;//betweenthebars.org/blogs/804/
