

And Another Thing...

5-12-12

Speaking further on my 5-10 Blrg, It stuns me beyond belief how much ~~the~~ 'Der GANGLIONEN' Government (read: Hitler's 4th Reich) works hard to destroy any and all family units

Dept of Corrections, Dept. of Child Welfare Services, The "Court" (ahahaha), The schools, Der Waffen SS (Po-LICE), and the LAWS (read: Satans Library) all conspire to harm our families. They steal our children, institutionalize them and when the kids go bad they make it the fault of the parent. Good Going Gurnor Braun... erm Brown(Shirt)

Go see a movie called "The War on Kids" to get an idea what I mean. Then check out Chef Jamie Oliver's website and HULU season 2 of his ABC TV show where our OH-SO-INNOCENT (???) L.A. School District is shown to be INTENTIONALLY POISONING OUR CHILDREN.

Then you can check out the 6 o'clock news and PAY ATTENTION... They ARE stealing your family for fun and profit. Wake up America!!

Want more? Check out news archives on the Fox News website. Search for 'child suspended' and watch all the stories come up of how schools & gov'mnt suspend, arrest, persecute and destroy kids lives & the families suffering because of it.

But you won't. Because the fruth scares the crap out of you.
Doesn't it.?
