Communication Strategies Against
Mass Incarceration..

As a Prisoner in the State of California which is mainly owned and Controlled by the guards Union, with their Mass WAR CHEST of TAX-PAYERS MONIES..As the Mass Jailing in California is made due to Willful Greed by Politicians with the Guards Union..As to Relieve the Mass Incarceration one MUST Start from Scratch, of Breaking the System down to square one..Starting over..As is infiltrated with Corruption as this can be seen in usdc eastern district where a warehouse of Documents were discovered a few years ago, and CCPOA Union leader Lance Corcorhan Killed himself during the proceedings in 2011 in Judge Karlton court..(UNDER SEAL)..

- 1..GET RID OF CORRUPTION..
- 2..ABOLISH THE AEDPA, PLRA TERROIST ACT OF 1996..
- 3..Terminate all parole Boards..
- 4..Abolish 3-Strike laws..Mandatory terms ect..
- 5..Mandate more Black and Minority Jurors for Trials..
- 6..Abolish the Profits from Prisons..

While doing time prisoners must be single celled as it festers hostilities ect..

1..Prisoners must be allowed a right to control all Inmate Welfare Funds for Attorneys, Hygienic products, ect and not used as it is now to pay guards salaries ect..which is generate when prisoners order products from companies, food sales, ect..
