REVOLUTIONARY GREETINGS BETWEEN THE BARS AND ALL OTHER NETWORK GATHERING PARTICIPANTS. HERE ARE MY SUGGESTIONS AND PROPOSED MEDIA-BASED SOLUTIONS TO THE PROBLEMS OF PRISON ABUSE, CRIMINAL INJUSTICE AND MASS INCARCERATION.

I. MOST PRESSING ISSUES

THE MOST PRESSING ISSUES THAT THE NETWORK GATHERING SHOULD FOCUS ON INCLUDE THE FOLLOWING:

1. BIAS AND INEFFECTIVE PRISON GRIEVANCE PROCEDURES;
2. INACTIVE AND DISORGANIZED NATURE OF LARGEST VOTING BLOC IN THE COUNTRY (i.e., THE FAMILY MEMBERS AND FRIENDS OF 2.4 MILLION PERSONS INCARCERATED IN THE UNITED STATES);
3. VOTING RIGHTS FOR PRISONERS IN ALL NATIONAL AND STATEWIDE ELECTIONS;
4. PRISONER HEALTH, SAFETY AND REHABILITATION;
5. ELIMINATION OF PRISON SLAVE LABOR;
6. EXCESSIVE PUNISHMENT FOR CRIMES AND UNFAIR PAROLE SYSTEMS;
7. DESTRUCTIVE IMPACT OF PRISONS ON FAMILY

II. DOING BETTER

THE NETWORK GATHERING PARTICIPANTS WORKING TO END MASS INCARCERATION CAN DO BETTER BY DOING THE FOLLOWING THINGS:

1. USING THE INTERNET AND PRINTED WORD AS CHIEF COMMUNICATION, EDUCATION, ORGANIZING AND CAMPAIGNING TOOLS, AND ALSO FACILITATING PRISONER ACCESS AND EFFECTIVE USE OF THE TOOLS TO ADVANCE THE PRISON FREEDOM STRUGGLE AND END CRIMINAL INJUSTICE AND MASS INCARCERATION;
2. SET UP A PRISON WATCH WEBSITE TO EXPOSE TO THE PUBLIC THE CRUEL AND ABUSIVE PRISON CONDITION THROUGHOUT THE UNITED STATES;
3. USE PRISONERS AS FIELD CORRESPONDENTS AND REPORTERS TO WRITE AND REPORT ABOUT CRUEL, ABUSIVE AND CRIMINAL CONDITIONS INSIDE PRISONS IN THE UNITED STATES;
4. FORMING POLITICAL ACTION COMMITTEES AND SUPER PACS TO CONDUCT EFFECTIVE PRISONER RIGHTS ADVOCACY OR SOCIAL JUSTICE CAMPAIGNS IN THE POLITICAL AND LEGISLATIVE ARENA AT STATE AND NATIONAL LEVEL;

5. Establishing and maintaining on-going and reliable communication and conducting joint operations with progressive prisoners and prisoner-led organizations to promote successful political and socio-economic self-empowerment of prisoners, and the mobilization of our family members and friends outside into a highly active, organized and powerful online community;
6. Create YouTube videos and clips wherein family members or friends of prisoners share their and other stories and report particular instances of prison abuse and crimes;
7. Create a "National online Prison abuse Registry" to record, track and publicize crimes, abuses and injustices committed by oppressive prison guards, officers and institutions nationwide, and that includes a profile of them, description of their crimes, abuses and/or injustices they've committed, and serves as a permanent public record and registry similar to the National Sexual Offender Registry;
8. Set up a business and investment partnership or joint venture cooperatively owned and managed by progressive prisoners and Network Gathering participating organizations to: a) enable prisoners to develop and pool their limited economic potential, skill and resources; b) access the Internet and operate online stores, malls, shopping centers, or other e-commerce enterprises that sells the product or services made by prisoners and other producers; and c) permit prisoners to use the internet to invest their profit in penny stocks, mutual funds, real estate or other investment products available on the internet;
9. use Facebook, Twitter, YouTube, Myspace and other websites, social networks and search engines to link prisoners with their family members and friends outside, and provide them a major platform for working together and building a powerful online community devoted to advancing prisoner rights and ending criminal injustice and mass incarceration;
10. use the Internet and e-mail to target parole attorneys, defense lawyers, Prison pen pal services, Bookstores, Discount Magazine Companies and popular magazines and other businesses that have large number

- of prisoner consumers, and solicit and recruit their financial or material support and sponsorship of particular Network Gathering Campaigns, projects or events;
11. Get prisoners to Contact and recruit their family members and Friends outside to visit and participate in Network Gathering sponsored or conducted campaigns, projects or events, and with the recognition that prisoners must play a central and leading role in the identification, recruitment and mobilization of their family members outside and the building of a powerful and organized online Community composed of the both of them;
 12. Assist progressive prisoners and prisoner-led organizations desiring to do so to create and manage a website or webpage, ensure that it is effectively promoted and marketed; and keep the prisoner whose website or webpage it is informed and updated on its operation, progress and effectiveness, and the changes which are or need to be made to increase its effectiveness, make sure the website or webpage's mission and practices are consistent with standards adopted by the Network Gathering and the Law;
 13. Call for all National and Local Civil Rights, Human Rights and prisoner Rights organizations to use the "Private Attorney General" legal option, recognized by the U.S. Supreme Court in *Cort v. Ash*, 95 S.Ct. 2080, 2088-90 (1975); *Sierra Club v. Morton*, 92 S.Ct. 1361, 1366-67 (1972); *In re Woods*, 833 F.2d. 113 (8th Cir. 1987); *In re NEW HAVEN*, 604 F. Supp. 453, 460-61 (D. Conn. 1985), to criminally prosecute and bring to justice prison officials and other law enforcement officials who commit Federal Civil Rights Crimes, and who the U.S. Justice Department refuses to criminally prosecute in bad faith.
