

HIJINKS

2012
(am i here?)

I hate you
Doody head
poopy head
face - and stink
Not - and I'm
any more friend

HOW
Long
have
I
been
Gone?

Things
have really
Changed
for me
lately.

I found
out my
"BFF" isn't
my friend
at all
anymore.

It was
a big
SHOCK

Bzzzt

Never Saw that
Comming, hit me
like a Big Truck.

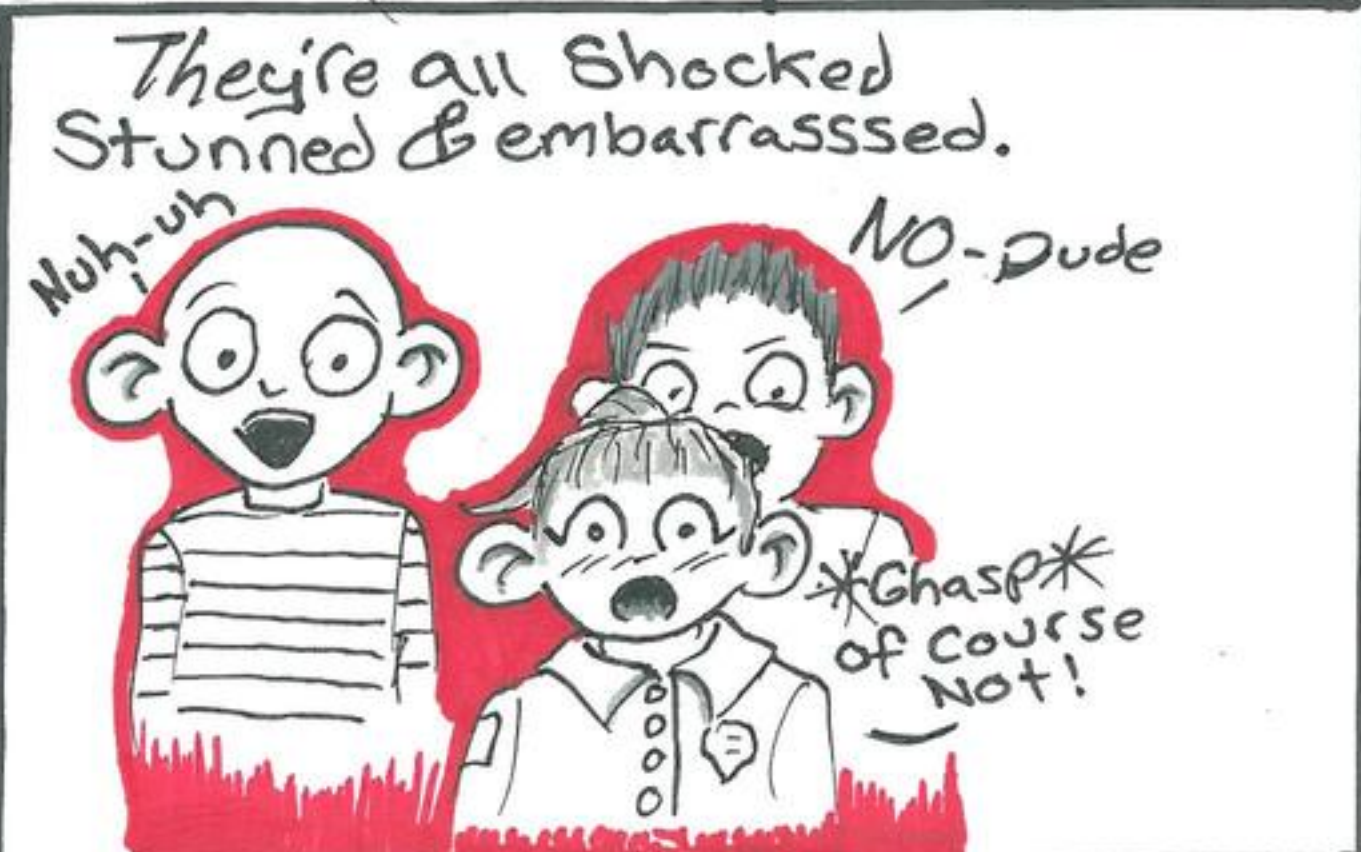

Though all that's true
you may have seen that the whole
Spill was Riddled with
Scarasm

yeah
I was,
hope
I was
a Good
flavor.

I'll
Get
over
It..

would you
laugh

Been hanging out with my Scottish neighbor JACK lately

Jack O'lantern

feel sorry for him, he's not a looker and not too bright. least I'm a little smart

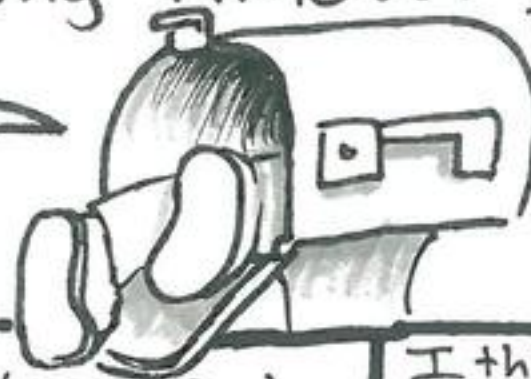

a face only a mother could love

of course, I've not heard from my kids in a long time...

nope nothing in here yet.

from anyone for that matter..

They work me like a slave here.

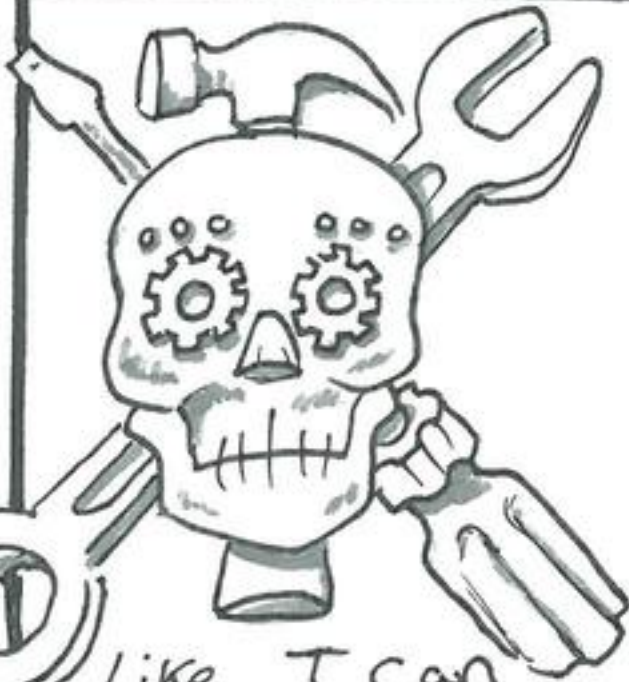

and the compensation is less than a slave's

slaves get food and they see families and friends and such. I get only dressed up dog food and percolated puke soup.

I think at times they actually believe I am a mirical worker.

Like I can just grab a tool and fix anything

Some things are just junk too far gone to be fixed at all.

Those Goobers cant just let the tool go to the big home Depot in the sky.

There's a Staff Person here who I believe is nearly the Sexiest Little Thing I've ever seen

She's the Kind I'd have Taken home to Mom,

Like The Sweetest Berry on the Vine

She's Perfectly Plump yet Still firm

I Go koo-koo for Coco Pops if She looks at me...

Danger Keep out

Cant have it though It's a protected species, and maybe Poisonous..

Some have a Nasty Venomous Bite

HI MOM! I'm King of the World

Are you, sis and the kids out there watching?

I Dont see you

SO you, how are ya?

yeah you..

the one Reading Now.

How are you?

Good Not so Much

I miss Getting Comments from here. Suppose I Should Post more.

This IS the end for Today but I'll Be Back Soon.

Buh Bye..
