Dear Dina

Good morning my dear, sweet beautiful Friend.
Last night I received your 5/10 letter and it was
great to hear from you.

mom wasn't suppose to read it to you, she
was suppose to type it up. 😊 But your welcome
you deserved the apology.

Dina, I'm not backing OFF this warden. This is
my chance to really go after him, and that's
exactly what I'm going to do. He's caused me
to much suffering, he's caused guys in here too
much suffering and I want his ass. I just
want the punk to know that he can't bully me.

He's a b****! 😊 And he's never going to return
my visits. I wouldn't even try to get my visits
returned while he's here. I don't expect to come
OFF D.C. on June 6, That's why on June 1, I'm
ticking OFF a hunger strike. I'm timing for 30
days, once I hit that mark, I'll take it day
by day and see how far I can go. It may do
no good, then again it may, we will just have
to see. And if nothing else at least I'm going
to try.

mom is suppose to be typing up another
essay about the executions here. When she
get's it typed, she can send you a copy.
That might be something Thomas wants
to post.

I put 8 grievance's out of here yesterday.

I'm just filing on topics that I'm going to post on my blog.

Look on the net. under the American Correctional Association. ACA stands for Adult Correctional Institutions see, what's the latest edition they have out, and how much it is. I need to get my hands on the latest edition. I had the 3rd edition but that was 12 years ago.

I'm not getting a good night's sleep down here. This Sgt. Garza who I had trouble with last year is coming through here slamming the door with all the power he has. I think it's funny. He is making other guys mad. And he just started this when I got placed in this cell. Oh well.

11:39am

I got side tracked. I had to finish reading this book so I could pass it on. Not a lot to read down here so I don't like to hold on to a good book for very long. I read it in two days. In about two hours I'll be going to the law library. Be glad to get out of this heat box. It's hot back here without a fan.

4:17 P.M. Got side tracked again. I'm going to enclose you a copy of the complaint that I'm filing. I'm sending it out to be placed on my blog. Can you check and let me know when it's placed up over there?

I hope that they don't take long to get it up. I'm going to also send one to Diane.

I figure their going to come after me some more. one officer just tried to start something when I came back.

When you write please drop a stamped envelope in with your letter. Cause I never know when they may try to put me in a strip cell. I am doing everything I can to keep them from retaliating, but you know how that goes.

I'm going to close for now my friend.
I love you very much. Please take care of yourself and write soon.

lots of love
of Bonnie
