subject: Reprisal Disciplinary Reports and violations
of 33-208.002 F.A.C. and F.S. 944.09 which is
resulting in this June 1, 2012 hunger strike to
correct these constitutional violations.

I, Ronald Wayne Clark Jr., do hereby swear under the
penalty of perjury, that the following facts are true
and correct and I will submit to a voice stress analysis
test to substantiate the facts in this complaint.

Facts: on Sunday April 29, 2012 at approx. 9:10 PM.
I was pulled from my cell P-2204 on two North
and placed in the holding cell on the quarter deck
by C.O. Carson and Sgt. Chandler. Out in the
holding cell, Lt. Oliver when leaving the control
room stated, "Clark what are they going to

Find in your cell?" I stated, "not a thing, I have too big of a spot light on my back to have anything in my cell." Lt. Oliver commented on me putting my weight back on, and left. Assigned to two North was Co. Carson, Co. Murriell and Sgt. Chandler. Co. Murriell, not wanting anything to do, with a retaliatory reprisal set up, shake down, and Fraudulent Disciplinary Report (DR) that violated 33-208.002 FAC Rules of Conduct, and law 944.09 F.S. remained in the Control room, the entire time, where he sat and talked with the Control room Co., to replace him, Lt. Oliver and Sgt. Chandler, had Co. AARON D. Stokes come from his assigned post, up to two North, and not only participate in the shake down, but write the Fraudulent DR #213-120732. which was a clear violation of 33-208.002 (12) + (19) and the governing law 944.09 F.S.

At approx. 9:30 P.M. Sgt. Chandler and Co. Murriell would go around doing master count. Co. Stokes would leave, and go to his assigned post. Co. Carson remained on P-2-2 left in the cells. Once count was conducted, Sgt. Chandler returned down P-2-2 left, Co. Murriell would return back to the Control room, and his conversation with the Control room officer. Several minutes later, Co. Stokes would return. They finished the shake down, placed me back in the cell. I asked Sgt. Chandler if anything was taken, he said, "No." The video camera will show, that no DC6-220 inmate impounded property slip was given. Which is required under 33-602.203(9)(a) I therefore had no clue that I received this Fraudulent D.R., until Co. Calloway served it on me, Thursday morning, May 3, 2012. Saturday evening just after 4 P.M. Sgt. Chandler can

be seen making his rounds, I stopped him at my cell
 Front, P-2204, and said, "Thought you didn't find any-
 thing?" He stated, "I didn't know that, Stokes had
 found anything until I got down stairs, he had already
 showed it to the Lt. and the Lt. had already said,
 write the DR." We spoke for a few minutes and he
 went on. On Sunday May 6, I seen C.O. Carson about
 it, he said something to the effect of, "you know how
 it is." On May 7, 2012 Monday, I was moved to Disciplinary
 Confinement (DC) and placed in cell P-4104. I stopped C.O.
 Murriell Tuesday night and said, "you stayed in the
 controll that Sunday night, you didn't want to have
 anything to do with that shake down and Fraudulent
 DR." He said "Nope" and walked off saying "I didn't
 want nothing to do with it." This is the 4th Fraudulent
 retaliatory DR that I have received in 10 months. I
 have filed a lawsuit in the United States District Court,
 Middle District of Florida, Jacksonville Division, Case No.
 3:11-cv-1051-J-34TEM on this retaliation. I will not stop
 blogging about the corruption and abuse that's taking
 place back here. I think this last DR#213-120732 was
 influenced by Lt. Bennett Kilgore who also assisted Timothy
 Slone, in setting up DR#213-111515 on Sept 9, 2011, a Fraudulent
 DR. that the video camera doesn't even support. On April
 3, 2012 Lt. Bennett Kilgore came up to P-2-2 left, harassing
 me, stating, "I don't have to say anything, he can make me
 say anything that he wants me to say." I filed grievances
 #04-12-284 and #1204-213-055 which was approved on 4/26/12
 for an investigation. yet three days later I was set up
 with this latest DR#213-120732, where C.O. AARON D. Stokes
 has clearly introduced contraband tobacco into this inst-
 itution, to use as evidence, in this Fraudulent DR.. which
 violates the rules and state laws governing him..

These officers are knowingly and willingly violating this law. They are retaliating against me in a childish and juvenile manner. I am a man of peaceful protest. Which is why on June 1, 2012 I'm going to conduct a hunger strike to bring attention to what is taking place here. I've got to constantly worry about staff, being the liars they are, falsifying I.R.s, or other documents, and placing me in a strip cell, as former Lt., current Captain Swaine did last year. Swaine has the honor and integrity of a Nazi in a Jewish concentration camp, as does most of this Administration. Inmates are being assaulted, placed in strip cells, Human Rights and Constitutional Rights are being violated. And I'm standing up to say enough is enough. The time for change is here and now. I have a right under Singletary v. Castello, 665 So.2d 1099 (Fla App 4 Dist 1996) to conduct this June 1, 2012 hunger strike, a peaceful protest to bring attention to the retaliation and abuse that is taking place here, on Florida's Death Row. I want the FDOC to respect this right. and order this Administration against any further retaliation.

Thank you very much for your time, and hopefully your help in restoring honor and integrity to an Administration that is truly lacking there of.

Respectfully Submitted.

Arnold H. Clarke Jr.
