

MY Apologies for May & June Posts

I received a Print out of some of the Posts I Sent in for the months of May and June and they were hard to read.

The guy that was typing my Posts used an old typing ribbon so the ink came out very light. I do apologize for any difficulty you may have reading those Posts and assure you I'll make sure all my future Posts are printed darker.

Despite the fact I only get a few responses from my Posts, I still enjoy writing them and

having this Forum to express myself and extend my thoughts to the Freeworld. I do thank between the bars for making this possible and I thank those who take the time to read what all of us have to say. Take care out there and be sure to checkout and leave your comments to my latest Posts.
