CAN YOU BE A GAY CHRISTIAN?

I am gay & I'm a Christian. I've been gay since I was born. It wasn't a choice. I've tried most of my life to try to be straight but I just couldn't change my gay lifestyle. I am just not sexually attracted to women. When I was a teen, I tried to kill myself many times because I was gay & couldn't change. I was raised in a very religious family & was a Catholic until I was 18 years old.

I've tried everything to try to change but I just can't. I want & am a Christian but a lot of Christian's here in prison still ignore me because they know I'm gay. I love Jesus Christ & believe he died for us, for our sins. I don't engage in gay sex right now but sometimes I do lust & I ask God for forgiveness when I do. The bible says being GAY is wrong, but I can't change the way I was born. Is it really impossible to be GAY & a Christian? I've lost a lot of friends because I'm a GAY Christian — friends that are GAY & friends that are Christians. Sometimes I feel very alone. I just wish people could accept me for who I am.

If you have any help or comments for me. Please feel free to write me or respond to my blog. Thank you. My prayers are with you all. GOD BLESS YOU ALL.
