

HOMOSEXUALITY

By: John Weston

In today's day and time there is much debate on Gay Marriages and Gay Rights. Some states for it and some against.

What is Homosexuality in God's Eyes? Let's take a look at the simple truth and see how much once again man has strayed from God's original design.

Throughout the Bible in the Old and New Testaments, the Lord makes perfectly clear that Homosexuality is an "Abomination" to the Lord.

In the Book of Genesis, two angels went on a mission from God to the town of Sodom to find out if the people there had done terrible things. The angels stayed at the house of Lot, nephew of Abraham. The townspeople surrounded the house and yelled at Lot to bring out the visiting men so that they could have sex with them. Lot said to the townspeople: "Do not do this wicked thing" but they insisted so the Angels struck them with blindness and rushed Lot's family from the city before the Lord destroyed it with burning sulfur from the sky.

Lot called it a wicked thing for men to have sex with men and God destroyed the city of Sodom. Apparently the basis for the word sodomy was this wicked city, clearly not acceptable to the Lord.

The next mention is from the Lord God in the form of a command in the book of Leviticus. Here, as the Israelites were at the base on Mt. Sinai, they are given instruction of God's laws and of how to worship him. The Lord told Moses to instruct the people "Do not lie with a man as one lies with a woman; that is detestable"

-Lev 18:22. A few chapters later the Lord gives the command again and tells of the punishment for such a detestable deed:

"If a man lies with a man as one lies with a woman, both of them have done what is detestable. They must be put to death; their blood will be on their own heads". -Lev 20:13

This certainly cannot be an activity acceptable to God as these men should be put to death!

In the book of Deuteronomy, Moses explains various laws in his farewell address to the Israelites as he transfers leadership to Joshua. In chapter 22 is the following words from Moses:

" A Woman must not wear mens clothing, nor a man wear womens clothing, for the Lord God detests anyone who does' this"
-DT 22:5

Does this scripture alude to transvestites? Crossdressers?

In the book of Romans, the Apostle Paul speaks of God's wrath against mankind and one of the examples he uses has do do with homosexuality:

"In the same way the men also abandoned natural relations and were inflamed with lust for on another. Men committed indecent acts with other men, and recieved in themselves the due penalty for their perversions" -Rom 1:27

They received the due penalty for their perversions... perhaps they still do since we now have the AIDS epidemic.

In his letter to the church in Corinth, the Apostle Paul states:

"Do you not know that the wicked will not inherit the kingdom of God. Do no be decieved: neither the sexually immoral nor idolators nor adulterers, nor male prostitutes nor Homosexual offenders... " 1 Cor 6:9

Interesting to note the specific usage of the word Homosexual.

The bottom line here is that Homosexuality is NOT now nor has it ever been acceptable to God. As I have shown here with various scriptures, the Lord God and the Apostles have spoken clearly against such a practice.

It is clear once again that the God created differences between Men and Women are not to be ignored. Each serves a purpose and is intended to be used for said purpose.

It is this authors opinion, backed by Biblical research and true faith in the Christ and Father God that no person is "Born with" some Gay gene. There are only weak minded people that are not strong enough to resist the perversions enticed upon them by Satan. These people with the proper spiritual guidance and psychological treatment can be effectively treated to resist such perversions.

In no way whatsoever should any TRUE CHRISTIAN ever condone the act or behavior of Homosexuality. One need only to consult his or her Bible to know that it is a practice desestable to God.

To assert that people are born that way, or to assert that "its ok as long as they don't push it on me", is to condone the activity. To vote for equal rights for Gays is also to Condone the activity and makes the person condoning the act just as guilty as the person committing the perversion.

Following the Lord our God is to follow all of our Lord our God, not just where it is convenient. You cannot pick and choose which parts you want to follow, you're either a TRUE CHRISTIAN or you're not.

Be weary and fight the good fight, lest you be guilty by association.
