

## Jerry, Jerry, Jerry...

Jerry is the silliest shit I've ever seen (Ha-Ha). I don't mean that in a good way either. Sometimes I wonder..."Is this for real?"

I watched a show today that had this black woman that was a dominatrix and she had this dude in a dog collar, Kiss'n toes, and straight clowning. Now don't get me wrong...I'm not apposed to spicing things up in the bedroom and if being dominated is in the mix, cool, but to be on national T.V. like that just was wild.

The Jerry Springer show is filled with some of the most outrageous stuff and 80% of it has to be fake. I know people in the free world aint gett'n down like

that for real, Or are they?

Today I wanna hear What's going on in your life that you'd consider a "Jerry Springer" moment? I wanna hear the wildest most outrageous stories you got. I'm just very curious if I'll get just one that comes close to what's on that crazy show. And sorry...No Jerry Beads (Ha-Ha).
