

~~Dear~~ Dear Lindsay, (Lohan)

Good morning - Smite... That's better! Finally God has made a way for me to reach you. Amen. This letter has been in my heart since Oct 16, 2010. I, unfortunately, put it on hold, while trying to find a for sure way to reach you. Even now I don't know exactly how this will get to you but I know God has made a way, because your name has been burning a hole in my heart, lately.

Please know God's love sent me. Amen. This is not an attempt to solicit funds of any kind or magnitude!! IF my name is included it's because I couldn't find a way to send it unanimously. Promise you, you can discard the "return" address that being said...

TO A WORK IN PROGRESS

Jesus LOVES YOU. He Promises. He understands that you are "a work in progress." So much so He died on the cross just for you. Amen. As you strive towards progress Jesus offers comfort, friendship, love, encouragement, wisdom, peace, Joy & even understanding.

Proof that Jesus understands "a work in progress" can be seen in His dealings with His friend Peter.

I'll highlight one story that makes this point. Oh Lindsay, do you have a Bible? IF so go with me to the book of Matthew. Go to chapter 26. Read verses 31 thru 35. (Wow I just pictured you doing this. Yes!! You're serious about Progress. I never doubted it - hence the letter. Amen.)

For the sake of education I'll recount it right here with my own hand... This will help both of us. Smite

Matthew 26 verse 31 → Then said Jesus unto them (His disciples), "All you shall be offended because of me this night: for it is written, I will smite the shepherd; & the sheep of the flock shall be scattered abroad.

32) But after I am risen again, I will go before you into Galilee

33) Peter answered & said unto him, "Though all men shall be offended because of you, yet I will never be offended.

34) Jesus said unto him, "verily (surely) I say unto you, That this night, before the cock crow, you (Peter) shalt (will) deny me 3 times

* The story continues in verses 69-75 *

69) Now Peter sat without in the palace: & a damsel came unto him, saying, you also were with Jesus of Galilee.

70) But he (Peter) denied before them all, saying, I know not what you say!

71) And when he was gone out into the porch, another maid saw him, & said unto them that were there, This fellow was also with Jesus of Nazareth.

72) And again he denied with an oath, I do not know the man (Jesus).

73) And after a while came unto him they that stood by, & said to Peter, surely you also are one of them; for your speech betrays you.

74) Then began he to curse & to swear, saying, I know not the man (Jesus). And immediately the cock crew.

75) And Peter remembered the word of Jesus, which said unto him, "Before the cock crow, you will deny me 3 times. And he went out, & wept bitterly.

So in verses 31-34 we see ~~Peter~~ Jesus telling the disciples that all of them would leave him hanging when the going got tough. Peter boldly said that he would never leave Jesus hanging! Well Jesus told Peter the truth of the matter - you ~~will~~ deny that you're my friend 3 times. ~~And~~ we see the fulfillment of that prophecy in verses 69-75. Peter denied being Jesus friend 3 times.

I ask - Lindsay have you ever been betrayed by a friend? Lied to by a friend? Hurt by a friend? Told one thing only to have them do the other? Has a friend ever left you hanging? (PS 2)

How did you deal with it?

Let me ~~have~~ tell you how our Lord & Saviour Jesus Christ dealt with it...

The answer is right in front of us... Jesus FORGAVE Peter. Amen.

In verse 31 Jesus let it be known → y'all all gone betray me & leave me hanging when I need y'all the most.

In verse 32 we see Jesus saying → even though y'all left me hanging in my time of need, after my trial ~~and~~ & tribulation (death burial & resurrection) I'm gone meet y'all in Galilee.

Did you catch that Lindsay? Jesus knew His closest friends would betray Him, but He still loved them. Still forgave them. Truly He was an amazing man. Amen.

So why did He meet with them, after all this? why be ~~there~~ their friend after they betrayed you?

Why? Well because God is LOVE. Smile. Jesus knew their hearts. He knew Peter's heart. He knew Peter wanted in his heart of hearts to stand by Jesus side till death did them part, but that Peter wasn't yet where he wanted to be. Sounds like a definition of "A work in progress." Amen.

My heart of hearts says one thing but my actions say another. Why? Cause I'm not yet where I want to be... but I'm marking "progress"

Yes I'm guilty of it. also. Like I was never good at budgeting \$ Always said I'm gone spend "x" amount of dollars I can't write this it's phony. I'm gone but the example God put in my heart. Amen. OK Jesus help me please... Personally I struggled with... Masturbation... --

Yup I just said that - I had to. This is real life honesty. If I was famous they'd put the story out. we both know that is NE way I used to say I wasn't gone do it, but I didn't. My heart wanted to but my desire for sex/release wouldn't allow me to step. This sin owned me for 13 plus years! Yikes. Even after I gave my life to God!! Well it wasn't until I prayed to God for help

& to take the desire from me that I actually took steps in furtherance of the goal of no masturbation Amen. But beyond that I ~~asked~~ asked God to deliver me from pornographic & lustful thoughts that led me to self gratify myself. Amen. When I find myself ~~tempted~~ - now I do my best to pray - "God, I'm so weak. Please keep me from this hour of temptation. in Jesus name Amen."

→ Can you even read this? Know my hand writing a mess! ?
May God bless you with the ability to read it. Amen. God's me a typewriter, but I cared enough to write ☺

Jesus will do the same for you - if you trust Him enough to ask for His help. Don't worry He won't ~~get~~ betray you or sell your story to some publicity magazine. smite? Jesus loves you. Did you know your name - Lindsay Lohan - is engraved on the palms of His hands? Get your Bible & read Isaiah 49 verse 16

Jesus loves you & came to set you free from the desire to use drugs/narcotics/alcohol, steal etc... Jesus is the only force that can give you the power & strength to resist! The courage to say "NO". The wisdom to lose "so & so's" friendship cause they not helping you "work towards progress." Feel me?

Lamentations 1 verse 2 "~~she~~ she weeps sore in the night, & her tears are on her cheeks; among all her lovers she has none to comfort her; all her friends have dealt treacherously with her, they are become her enemies.

Praise God. Jesus ~~is~~ is the friend that sticks closer than a brother smile. Love, loves you. (That was nice)

Lindsay, this is a time of LOVE. Yes ☺ have yourself. ~~but~~ let Jesus love you. - He wants to - see in all your affliction Jesus is afflicted. He feels your pain. In this time He will redeem you. Amen.

See Jesus isn't with His daughter being burdened - by anything. Especially the pollution & destruction of drugs/alcohol - nor by the feeling that we have to steal. After all He delights in providing for us (Amen) as our heavenly father.

"Give strong drink unto ~~the~~ him that is ready to perish (Ps 3)
& wine unto those that be of heavy hearts. Let him drink
& forget his poverty & remember his misery no more."

Ms Lindsay - your own words testify against you - that you are
not ready to perish. Amen. ☺ Drugs & alcohol are destructive - ask
my neighbor too. Ask my mom, whose an ex-alcoholic? Ask my
innerchild, who did time in foster homes because of a parents
alcoholism...

Do you suffer from misery &/or a heavy heart? Look 2 the sky
there's hope. Jesus said "let not your hearts be troubled. Neither
let them be afraid." Amen.

Gods love sent Jesus. Amen.

Jesus will deliver you & give you new life affirming desires.
Like community service, helping those in need, reaching out to a fan whose
in trouble & could use your advice/comfort/understanding etc - like
forgiving those ~~who~~ who've wronged you in any shape form or
fashion. Jesus will give you a lasting "high" not a temporary one. A
"high" that will make you & those around you - Better. Smite.

☺ You do seek your personal betterment? Don't you?

Your only one - sincere - prayer away from getting all the help
you so desperately - want - need - & deserve. Jesus is here for you.

Addiction is Addiction. Nothing is too hard for Jesus. Yes, if
He delivered me from sex addiction He can deliver you from
drug/alcohol addiction. Betty Ford gets nothing on Jesus Christ.
I promise you that. Amen.

And so it begins.

Merely -- simply pray

"God take this drug desire from me. God I'm a work in progress
in desperate need of your help so I can be FREE to be me. The
woman I yearn to be. The woman I desire to be. Thank you Jesus
Amen."

Lindsay you don't have to pray those words verbatim (word
& word) those were just words to stir up your heart. You can use
them but don't have to. Prayer is all about pouring out your ♥ in
sincerity ~~amen~~. Even if all you do is get on your knees & can

only muster the words "help me?" Jesus hears that. Amen. He even accepted your "I'm a work in progress" as a prayer made from the depths of your soul for help. Amen. He used that statement to touch my heart & reach out to you & give what advice, testimony & encouragement I could to help you walk in the direction of progress. Amen

I won't profess to know you from tidbits of news casts. Just offering the love that's been (recently) placed in my heart; that being to let you know you have a friend in Jesus. That you are more loved than you ever thought possible. A love that goes beyond being "a fan of your work" or being attracted to you as a potential mate. A love that will last not only this life time but the next. Amen. A love that will never leave you nor forsake you. A love that will treat you how you deserve to be treated. How you should be treated. A love that loves you in spite of faults & failures & shortcomings. A love that daily reminds you that you are in fact loved. No matter your fashion, your movies taste, your account, car you drive, where you live, size of your house, your outer beauty, whatever. There is no "in this week" or "at the next" with Jesus Christ. Praise God. Amen

Can I say something???

The Bible says "when my mother & father forsake me then the Lord (Jesus) will pick me up (be by my side) Amen. This verse conveys the message that God is always with you even when your natural parents leave you hanging your Heavenly Father is there. Smile. Amen.

A friend loves at all times;

the Bible says - "Can a woman forget her suckling child, that she should not have compassion on the son of her womb? Yea, they may forget, yet will I not forget you."

That means He hasn't forget you whelsay. He hasn't forgotten me either. Smile. He's faithful. Amen. He's ever there to draw us in with an everlasting loving kindness. Promise you Jesus offers you peace of mind. A peace that ~~is~~ surpasses all human understanding; He'll give you an un-speakable joy. A joy no man can take. Isn't that awesome?

Can you imagine just being out & having an inner peace?? (157)
A peace & joy that delightfully tells drugs/alcohol "No thanks!" A
peace that's comforted & anchored in true love! Awwww you're smiling
& blushing... Yeah God's love is that cool. Amen.

Hey get a hold of this song & let it minister to your soul. The
The song is → "What Love Really Means" by J.S. Heller.

... "Dear Jesus you who created me in my mother's womb. You who
truly knows what's in my heart. You who knew that I'm a "work in progress"
well Jesus this drug addiction has me bound, I want to not do it
but it's like I can't. I'm ~~not~~ next even strong enough... Sorry...
Jesus I NEED you to come into my life & make me a NEW DRUG FREE
PERSON. To bring joy & gladness back into my heart, such as I ~~felt~~
experienced as a little girl. Smile. In Jesus name. I pray. Amen"

Jesus accepts you, Lindsay, just as you are & it's more than
able to fix/heal ~~the~~ your brokenness. Amen. Just as He was
patient, with "a work in progress" by the name of Peter; He will
be patient with "a work in progress" by the name of Lindsay.
Jesus is that one friend that sticks closer than a brother. Smile.
As a friend He will provide you with the wisest counsel ever
available (sorry Dr. Phil) that will encourage you & help set you FREE
from the desire to do drugs, alcohol, or even steal. OK. Ask me how I
know!! Please Lindsay for your sake - invite Jesus into your heart.
That's Him at the door (of your heart) knocking right now. Will you
open it?

side bar → I often heard & even said of myself "Your honor I take full
responsibility for my actions!"

But hearing that cliché tossed around I began to think
(Yeah I tend to do that - that ☹) --

Am I taking Responsibility, till the next time?

or
Am I taking Responsibility in the sense that "Hey I'm
bent to get stronger & not commit this mistake again?"

Interesting.

I sit here ready to pen this - to draw the conclusion but something wants to tell you more. On 2-18-11 I caught the end of a story about you on ABC. I believe it was your mom sayin that you're done w/ alcohol & that you get it New! Amen

I'm happy for you. Alcoholism is its own punishment. Like I said my mother was an alcoholic so I've been on the end of her mistakes. All foster homes are not nice! I suffered physical, emotional, & psychological, & spiritual abuse. Ask my brothers who were there with me. Ask my social worker. Ask my mother - she knows. Ask my foster parents used to get my mouth washed out w/ soap all while my head is gettin ~~base~~ banged around in the sink, from east to west. The soap went north to south inside my mouth. Still don't know how one abuser managed to pull that off! My brain like 5 & all of 30lbs probably helped... when I was in 3rd grade we were shown toys & told we would get them after church well after church we were called "heathens" & "that's why yall aint gettin nothing for Christmas" Being accustomed to xmas off course tears were soon to follow. Durin the time w/ "Betty" there would be no xmas or Birthdays. Couldn't even get a dime to go to the corner store! The worse part is, after like a year & a half of being here "we got out" & went right back! Yup moms fell to drinkin again. So back at "Betty's" I was mistreated even more - this time? Seems like everyday her & her family would gossip about my beloved mother! "Oh she aint ___!" "She don't deserve to have children!" "That's why your mama an alcoholic!" "You aint gene be ___ just like ~~your~~ yo mammy." "Your own family don't want you -" yes words hurt, enuff that even this "strong lil man" cried himself to sleep at 8-10yrs old.

Growing up in the house w/ alcoholics isn't fun! Liquor came before the children. We ate the regular styke - can goods - hot dogs - sandwiches. Talk about feelin someone for less than a \$1 a day! Often I accidentally got drunk mistaking "gin" for ice cold water. That lead to whoopings! "Which one of you M - f - s drunk all my gin?" The rod wasn't spared though ignorance to what "gin" is was plead!

I remember hearin arguments bout who drink the most. Which

always included the phrase "You drink like a sapie fish!" (p. 5)
Lindsay I could go into detail but that's other peoples stories
stories they should have the personal liberty to disclose or
not. Does that make sense? wish you could talk to my mums
she'd tell you. I promise. I'll just say I've seen several end
results of alcohol → party sex; fights; stabblings; houses set on
fire; drunken stupors; grown ups urinating on themselves for squatting
down in public; people passed out on street corners; the infamous 2
missing back teeth; infested houses (roaches, feces, dirty dishes, clothes
beer cans etc...); slurred speech that leaves you speechless like
"Huh?"; "love" confessed "I luvvvvvv you ... man"; stories of yesterday's
greatness from "would've beens" & "should've beens" & "could've
beens"; Then there's the all too familiar drunk standing outside
the liquor store. He'll buy "us minors some liquor if we give him
a dollar for a 40 (ounce)."

No wonder I grew up hating alcohol ... or so I thought. Guess
I just hated beer cause it was mums drink of choice...
Oddly enough I was all over Mad Dog 20/20 - wild Irish Rose - five
water & flavored ~~st~~ Dales. Even so none of my alcoholic experiences
ended well. Not fun waking up in your own vomit, in some bodys basement
w/ a girl lying in the bed! You wonder how to get home while thinking
'did I sleep w/ the girl? Do I gotta get checked? Who the heck is she anyway?
Could I be "the Daddy" 9 months from now? ... Oh God Oh God ..."
Hours later you the talk of the town! People keep comin up & tell in
you how "crazy" you are. You have no idea what they talkin about,
yet you grin for reputations sake. Come to find you disrespect a car
~~for~~ full of "known neighborhood killers" (in fact they just killed somebody
weeks prior) your heart drops! Where can you run & hide? Can't go to
school no more they got frenels there, & often visit durin lunch hours...
"Oh God - Oh God" ... meanwhile "this girl" is all in your face. Now you
begin to think maybe you did sleep w/ her? Your heart drops. Come to find out
you romanced her with words (from your drunken stupor) so much so
she came ~~there~~ there "to party" but changed her mind!! Tellin people

She only wants you...

Wow! you discover that you a hot mess under the influence & could've gotten yourself KILLED. (Thank God you didn't Amen)

You resolve that life & it's fleeting moments are so precious -- yet you continue to smoke weed (as if it's less destructive)

That's a whole nother letter. " " "

As I pen this my brother ~~brother~~ comes to mind. Somehow he decided to put on my mans 'shoes' when she took em off. He currently rannin around Louisville, Ky been a drunk in & out of jail & fights... And this just came to me. Can you imagine somebody so drunk they try to feel on a family member? That is how destructive alcohol is. This is true 2 life. I promise.

I've seen things...

And this is just a letter

a letter of concern

a letter of "love"

a letter of help

In between writing you I was prayin 4 words to say & these came to me... Amen

"BE IMPORTANT TO YOU.

YOU ARE IMPORTANT TO US."

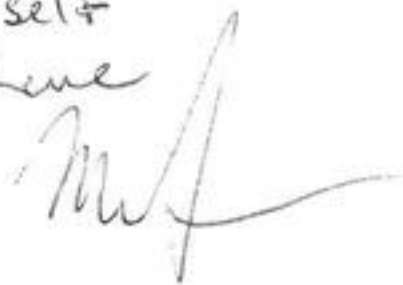

Yes you are ... ☺

P.S. with respect to your loving mother remember

"When you leave the house
You represent her." Amen.

God bless you
& take care of
yourself
