on the crime scene on a 24 Hours Watch! also installing a direct pick-up emergency (hot phone) line between the Sheriff's Special Enforcement Bureau (SEB) and my parents' home. There was also increased city Los Angeles police patrols in the vicinity of my home which had been shot into and firebombed while I, together-with family & friends, were standing guard at the home of my parents.

On national news of the gang attacks, both friends and strangers throughout Los Angeles County and from all over America offered us either guns and ammunition or to stand together in defense with us.

Subsequently and during the course of the assaults, seventeen or more of the gang members were arrested, charged and jailed for the assaults against my parents and also for various other street assaults and robberies, etc.

My dad and I, two of my sisters and two of my male siblings and a number of law enforcement officers all was subpoenaed to testify at the gangmembers' consolidated preliminary hearings.

Several lawyers who had been assigned to represent the gang-defendants insinuated a false witness (Edward Lewis) to mitigate or give their guilty clients a "defense" of justification for their pussillanimous sinister criminal misdeeds.

Mr. Lewis stated, among other lies, that he had observed me enter my parked recreational vehicle and exit the door with what appeared to be a "long-gun"; returning to the store/arcade reach into the door and snatch (19 years old, 6 ft. 3 in.) Attwon Thomas out of the arcade, knock him down onto the sidewalk and then fire a shot point-blank into his chest! He also falsely denied having observed Thomas and his fellow companions assault and endeavor to rob and take possession of the bicycles and personal effects of the wayfaring Hamilton family; within seven seconds of his contrary false shooting testimony. The said defense lawyers also preprogramed other so-called
