

So, how are ya?  
are ok, my self...

Always on the short end of the stick, Never catching a Break

Some Times I feel So MUCH like The underdog

Then some how I come up on top of every thing

Lady, what are you yammering on about?

I dont Get It

I mean why do you care?  
You Threw me away

you dont own me any more.

I'm in the Pound waiting to be adopted to a good home

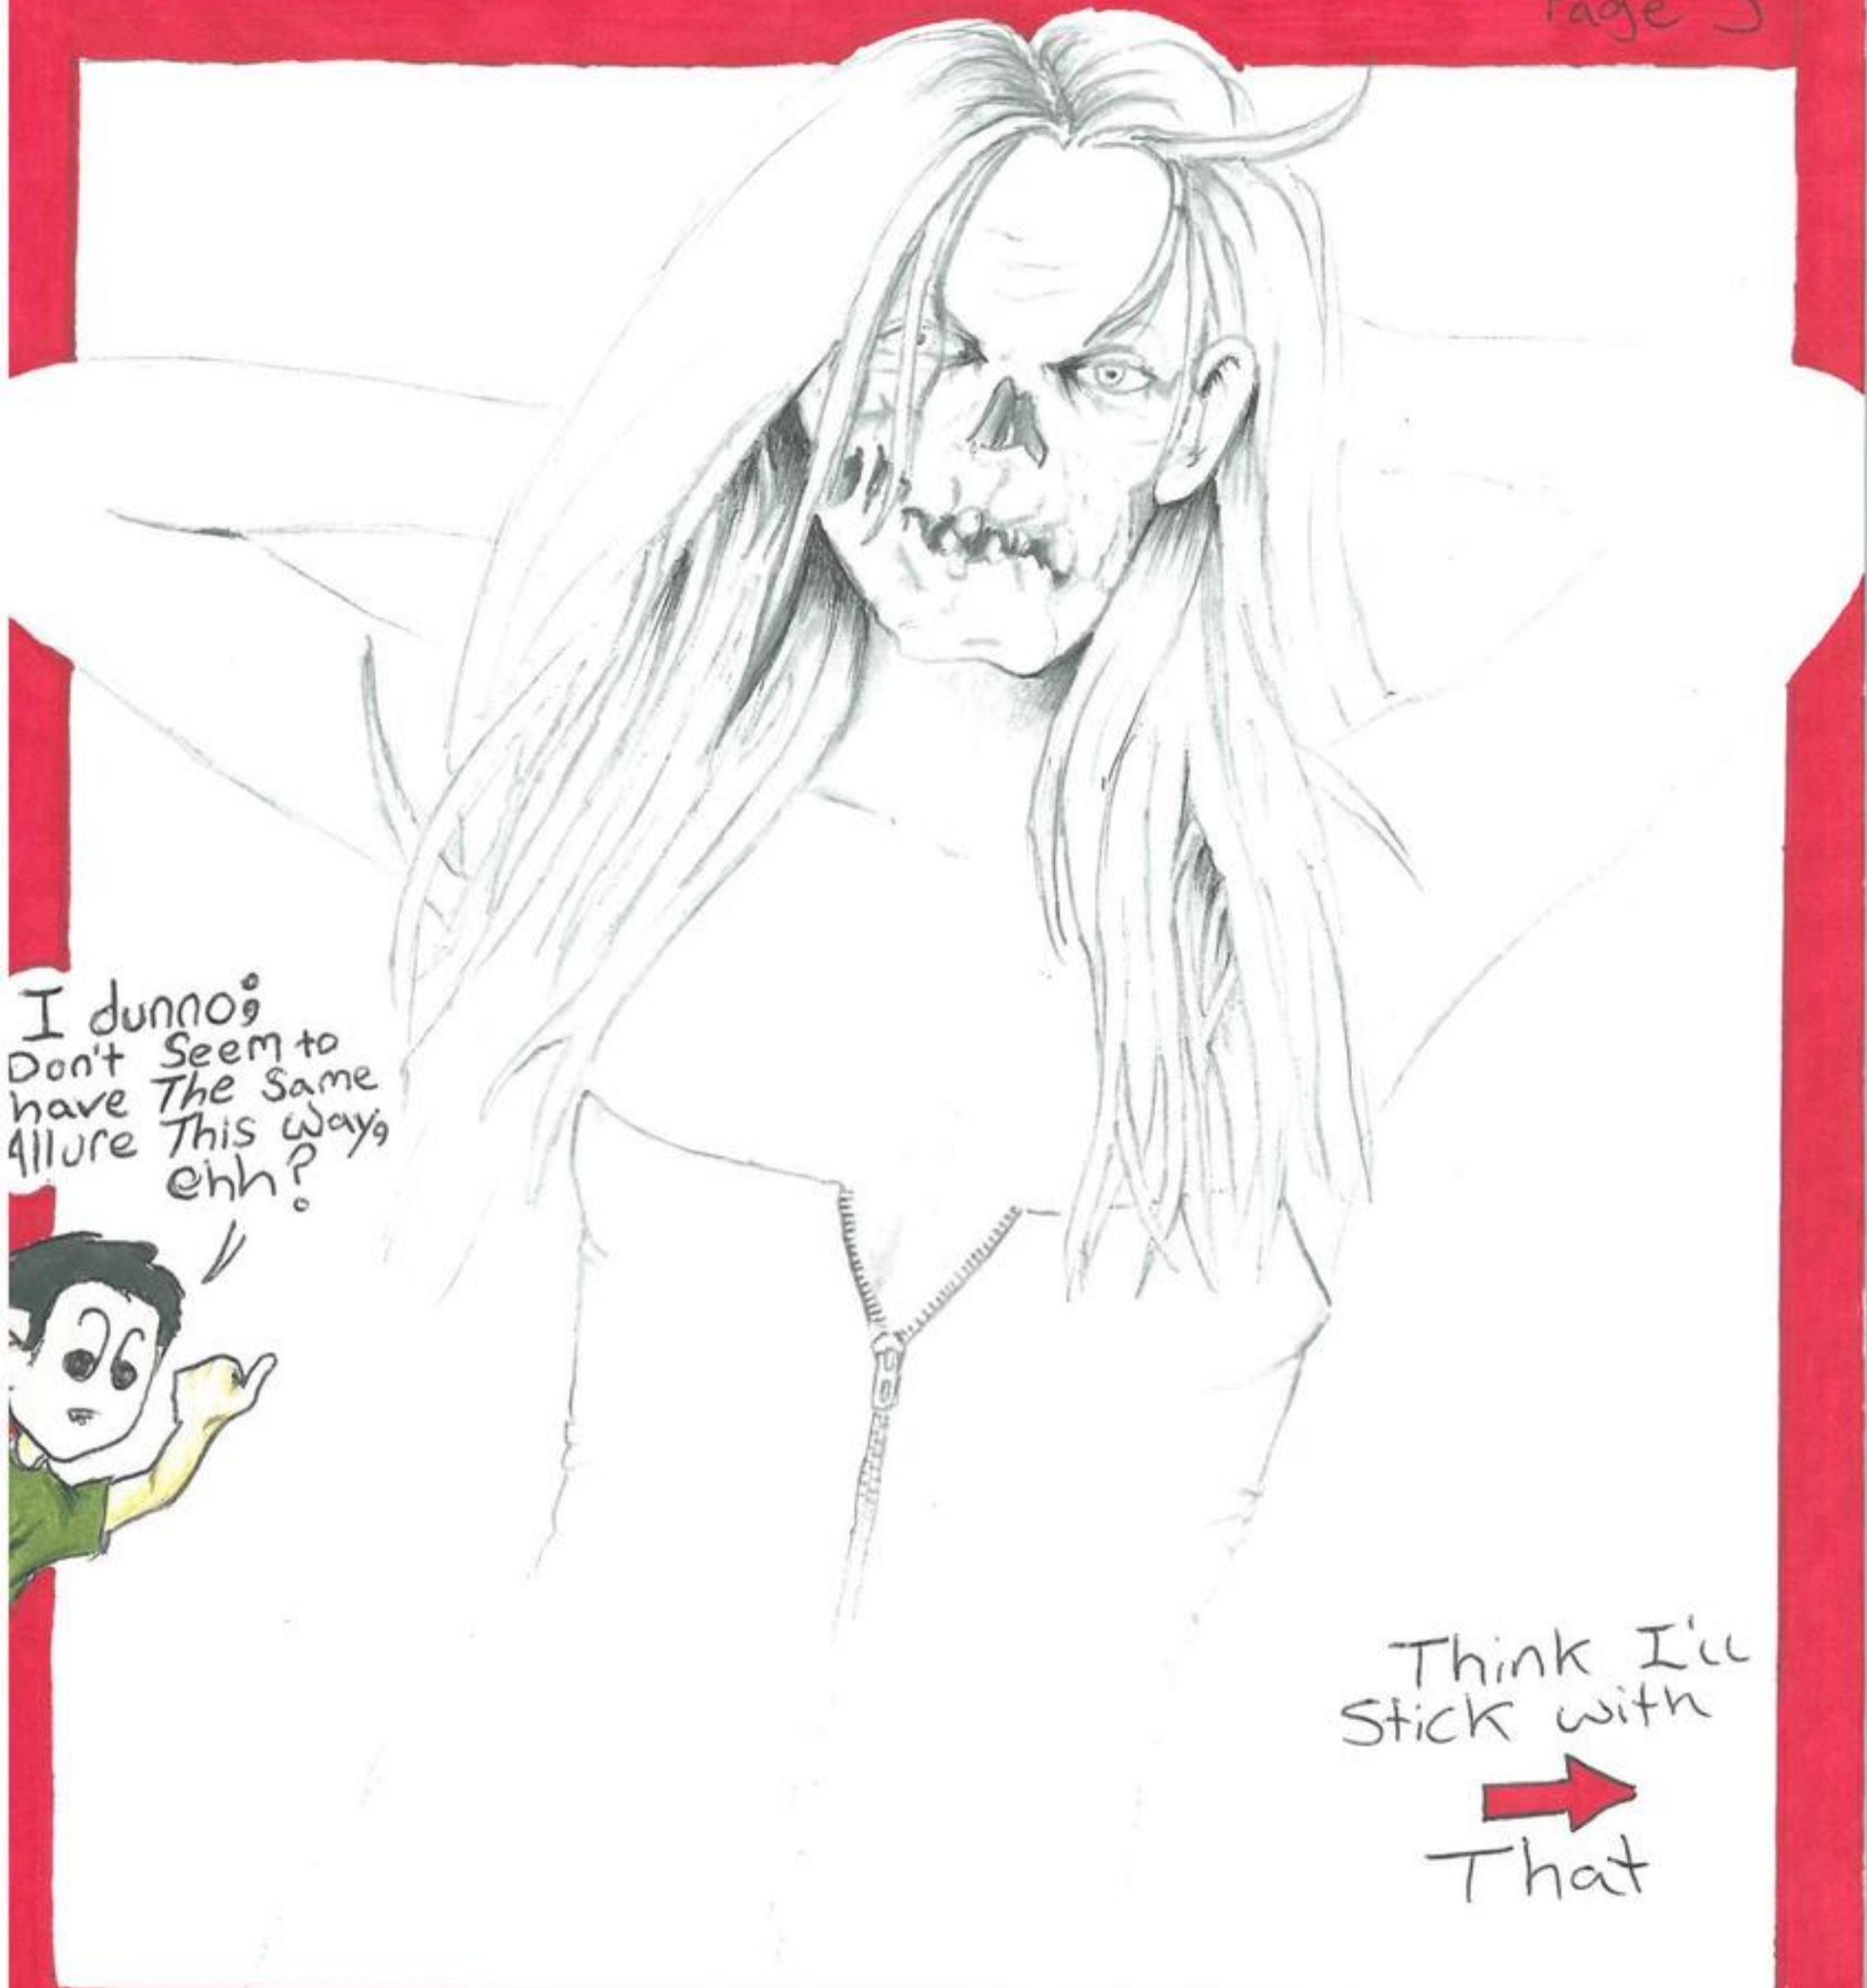

Why does This Threaten you?

I mean, This face  
and form has been  
in my mind for  
many years  
When I Draw,  
if it's Just Doodling  
That face Comes  
through, always has  
the only change is the  
Increase in my skill &  
Detail in the Image

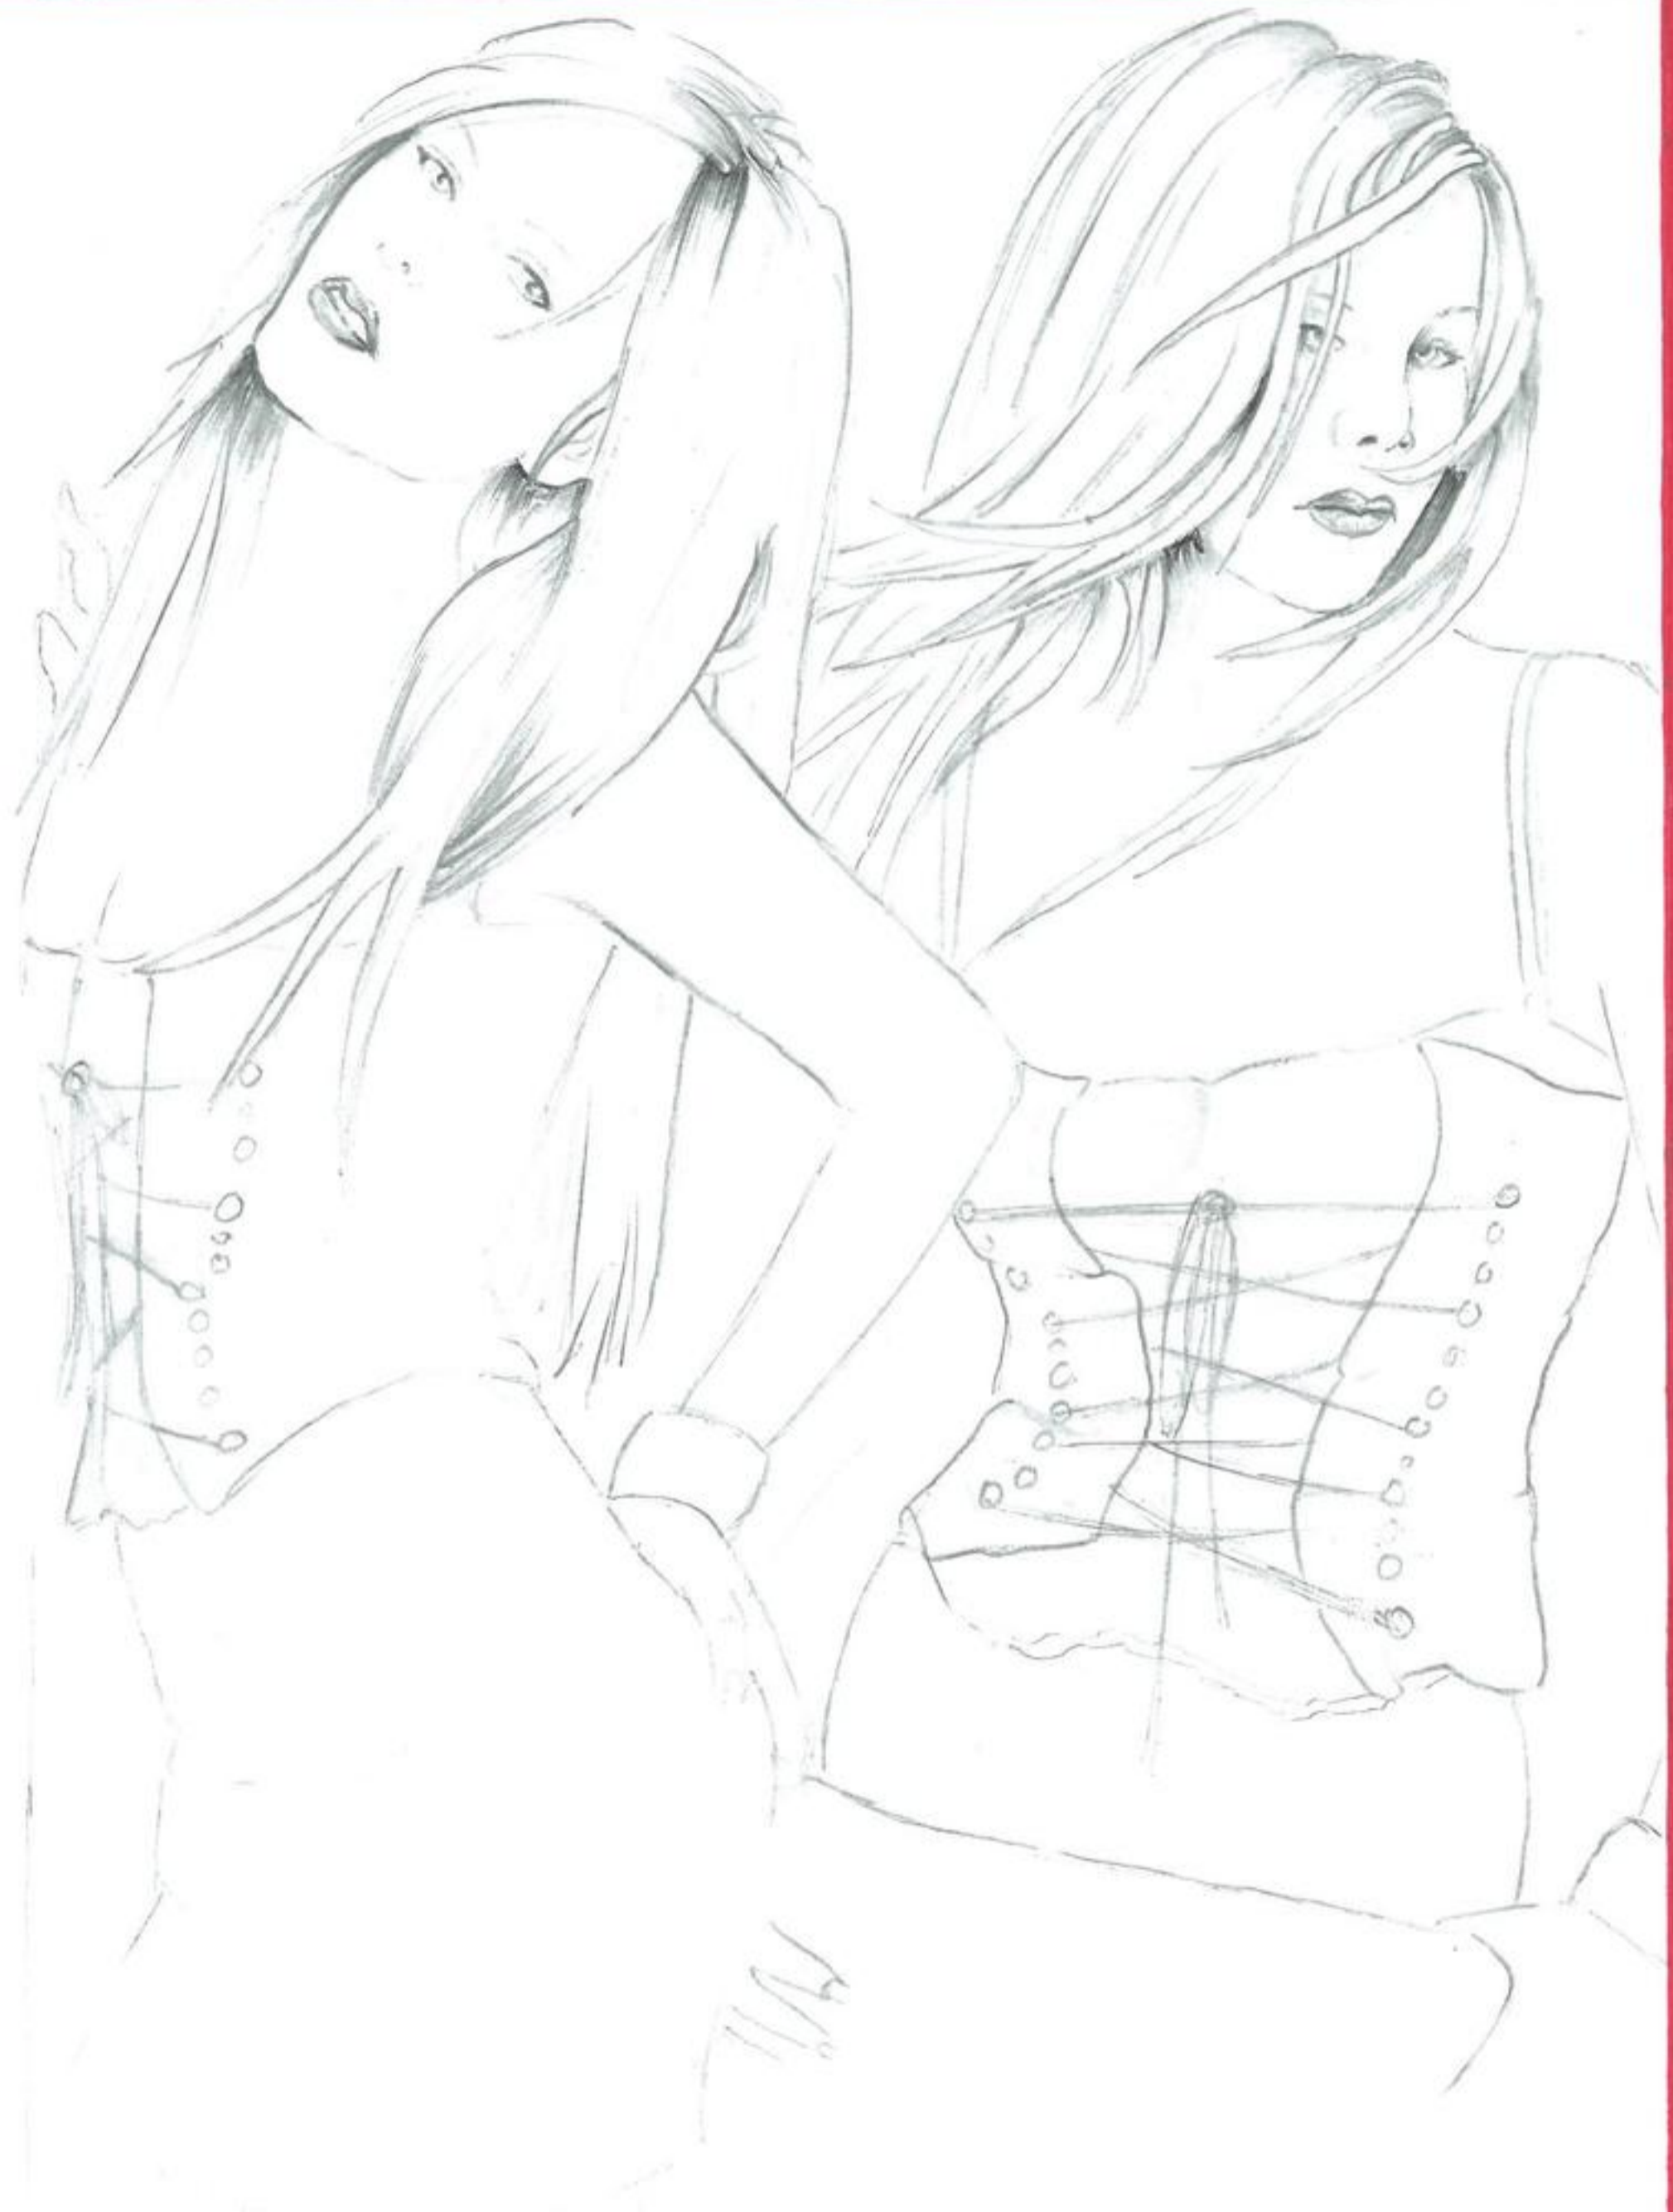

I dunno;  
Don't seem to  
have the same  
allure this way,  
ehh?

Think I'll  
stick with  
→  
That

Why is it that I love to do it with

That's a Good Question

Why Do the ladies act offended if they speak to a man who shows no interest in them or casual chat at all?

First written post in months.

I don't write much about prison or prison life,  
But, that's what brings most people to this  
site, right? So I will start  
sharing that in my posts.

Some humor, some disaster & chaos,  
and most very shocking.

I truly hope you're ready...

See you soon
