Hello Freeworld,

It's the old man here again, coming at you from the prison capitol of the world, "Texas". I have heard we now have more people locked up here (per capita) than any other state in the union or even any other country in the world. Yes, the good ole boys are in charge here, so be careful if you ever come this way. "Don't Mess with Texas" and they mean it. Anyhow, I want to give a shout out to all my friends and family back home. I love you, and miss you. Also, thanks to BtB. Please post a comment on my blog site. They mail them to me. The mail is one of the only positive things to look forward to here. Respectfully submitted,
Alvin Roger Brown U.S.N. 73-77
