SONG: I WILL SURVIVE

There are these severe moments when I am aware of the enmity press. But I learned a very long time ago - "NOT TO ENTERTAIN THE DEVIL".

When I feel weak - I just remember "HIS" strength and I remember how my faith in HIM has NEVER been disappointed. I am content in every tool I have being used to stay in the NOW, HERE, when all my powers and choices are.

The moments of galaxy pain are often over shadowed by Universal Love and my non-stop affirming that:

THERE IS ONLY

"ONE" TRUE

POWER IN THE UNIVERSE -

AND THAT POWER IS

ALL
GOOD!
