

\* \* \* \* BEYOND THE DARKNESS \* \* \* \*

Beyond the darkness He went,  
He shined and His glory gleamed.  
He restored the death in the deep,  
He brought with Him Liberty and Freedom.

Beyond the darkness, Lord and Light.  
Master of Shekinah, the embodiment of God!  
He wore the glory of God,  
Of Death and Hades, he tore ~~their~~ veils.

Beyond the darkness He broke the chasm,  
of separation by iniquity and sin.  
He cut-short the sting of death,  
He ~~restored~~ Holiness to the earth.

Beyond the darkness Eternity ran before Him;  
Spirits were set-free and redeemed  
He preached the Good News of Peace and Love.  
He wore righteousness and crushed error.

He was born in the deep of the womb,  
in the wombs of many He formed and built-  
His body, the temple of the Holy Ghost.  
He built the door to the "Holy of Holy".

Beyond...He countered the pain and hurts,  
to take the the shame reserved for thee;  
spitting and stripes ye will n'er feel  
Yet His spit gives sight, His tripes do heal.

Beyond...the dead heard and rose,  
Hades, to its knees bow down;  
the sea and land obeyed and fled,  
and stars cease to spin and shine.

Beyond...He made the Sun dark,  
the Moon and Mars, he made sand.  
The earth He melted, made it ash.  
The sea He dried up, cupped as tea.  
Beyond and beyond He is Life-Eternal!

Beyond...He came in the midst of "Darkness"  
made dark, light and sin righteousness  
beyond... in our state of flaw, made us flawless.  
Now one can stand before a righteous God!

Beyond...He came saw, and gave Love  
He gave Life and gave His blood  
He saw much flaw, still gave His "All".  
Beyond the darkness, He suffered and fiends fall!
