

***** WHEN DOES LOVE BEGINS ? *****

I was once asked: "Do you really know when Love begins, I mean Love between a man and a woman?" My response was: "I don't know!" Actually I did know. I just never stopped to think about it. So after much thoughts on the subjects these words came to me:

When Does Love Begins?

Love begins with only "One Look".

Love begins, when one burns with desire.

Love begins, at first sight!

Love begins, on a double-take. "Ladies!"

Love begins, when one think twice.

Love begins in one's mind alone.

Love begins, when one believe another, who proves to be "True".

Love begins and give birth, if one is lonely!

Love begins when one proposes. "Dudes do it."

Love begins if one sacrifices.

Love begins, cause one gave.

Love begins at one's compassion.

Love begins when one rescues the other.

Love begins, when one shows up, at another's "Wits-ends"!

Love begins, if one feels another's pain.

Love begins, if one risks his/her life for another.

Love begins when one gives his/her life for the other.

Love begins, when one's heart skips a beat! "Ladies".

Love begins with the awe of one's "Beauty". Guys say it!

Love begins cause one's heart is filled with amazements for another.

Love begins, when two hands touched each other.

Love begins when one reflects about another.

Love begins with only a kiss.

Love begins with the "written words".

Love begins with one word!

Love begins with nothing.

Love begins with everything!

Love can begin with all things.

Love begins in the "Genesis" of all things.

Love begins, when one is selfless.

Love begins in these: "Flesh of my flesh, and bones of my bones".

Love begins when one understands.

Love begins when one listens.

Love begins when one is happy and satisfied with the other!

Love begins when one acts.

Love begins, soon as one let go.

Love begins as soon as one forgives.

Love begins if one repents.

Love begins if one obeys.

Love begins simply when one Loves!

Love begins when one reminisces.

Love begins when one looks for "Love"!

Love begins when one shed some tears.

Love begins when one screams for joy.

Love begins when one feels bliss...

Love begins every year, every month, every week, and every hour, and minute!!!
