

Hi kristineh, thanks for writing again. Enjoyed our visit very much, thank you again. Pictures still not received as of July 14th so I not sure if you've sent them yet. If so, you'll need to contact this institution and the Postmaster General to file a complaint as to why your mail isn't getting through.

Hope you got the cards I sent, one for your birthday and one Thank You card after our visit.

Please advise if you haven't been getting my mail ok?

Lôve you and will wait for your response.

Love Bubba.
